# . . . To Dedicate To The Seniors — Spirit of Fair Park

This book is to perpetually preserve the remembrance of doubts, hopes, joys, sorrows, defeats, victories and the knowledge gained from the experience of it all.

To you—who spent free hours working on committees and practicing for activities.

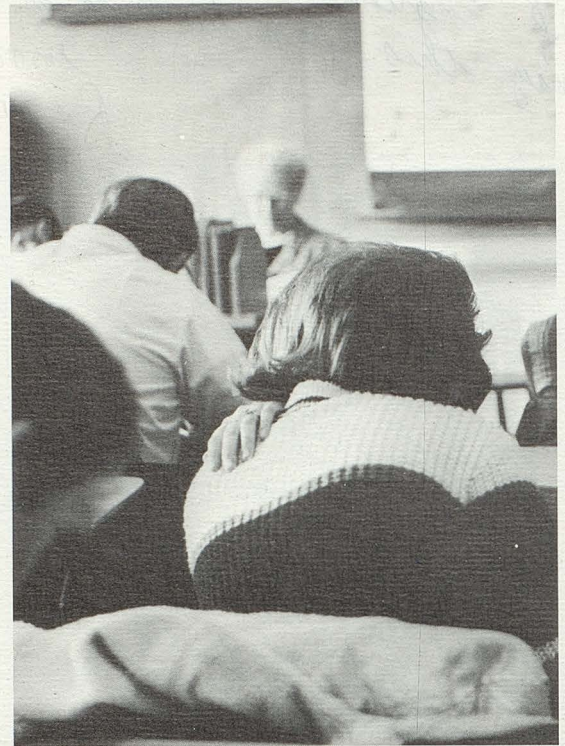

To you—who proved your spirit under umbrellas at football games.

To you—who gave sweat and blood for the cause of victory.

To you—who defended Fair Park against the words of others.

To you—who spent your last year at Fair Park setting an example of devotion and determination.

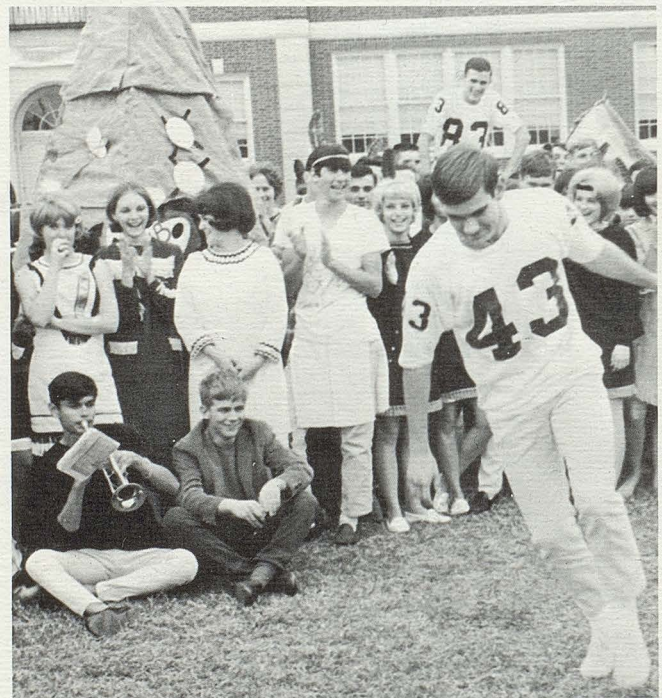

Because of you this year will be engraved in the hearts of all who were but briefly touched by your influence. Thus to the Seniors, we dedicate the 1966 Sequoyah.

Spirit—portrayed by you, the Seniors.

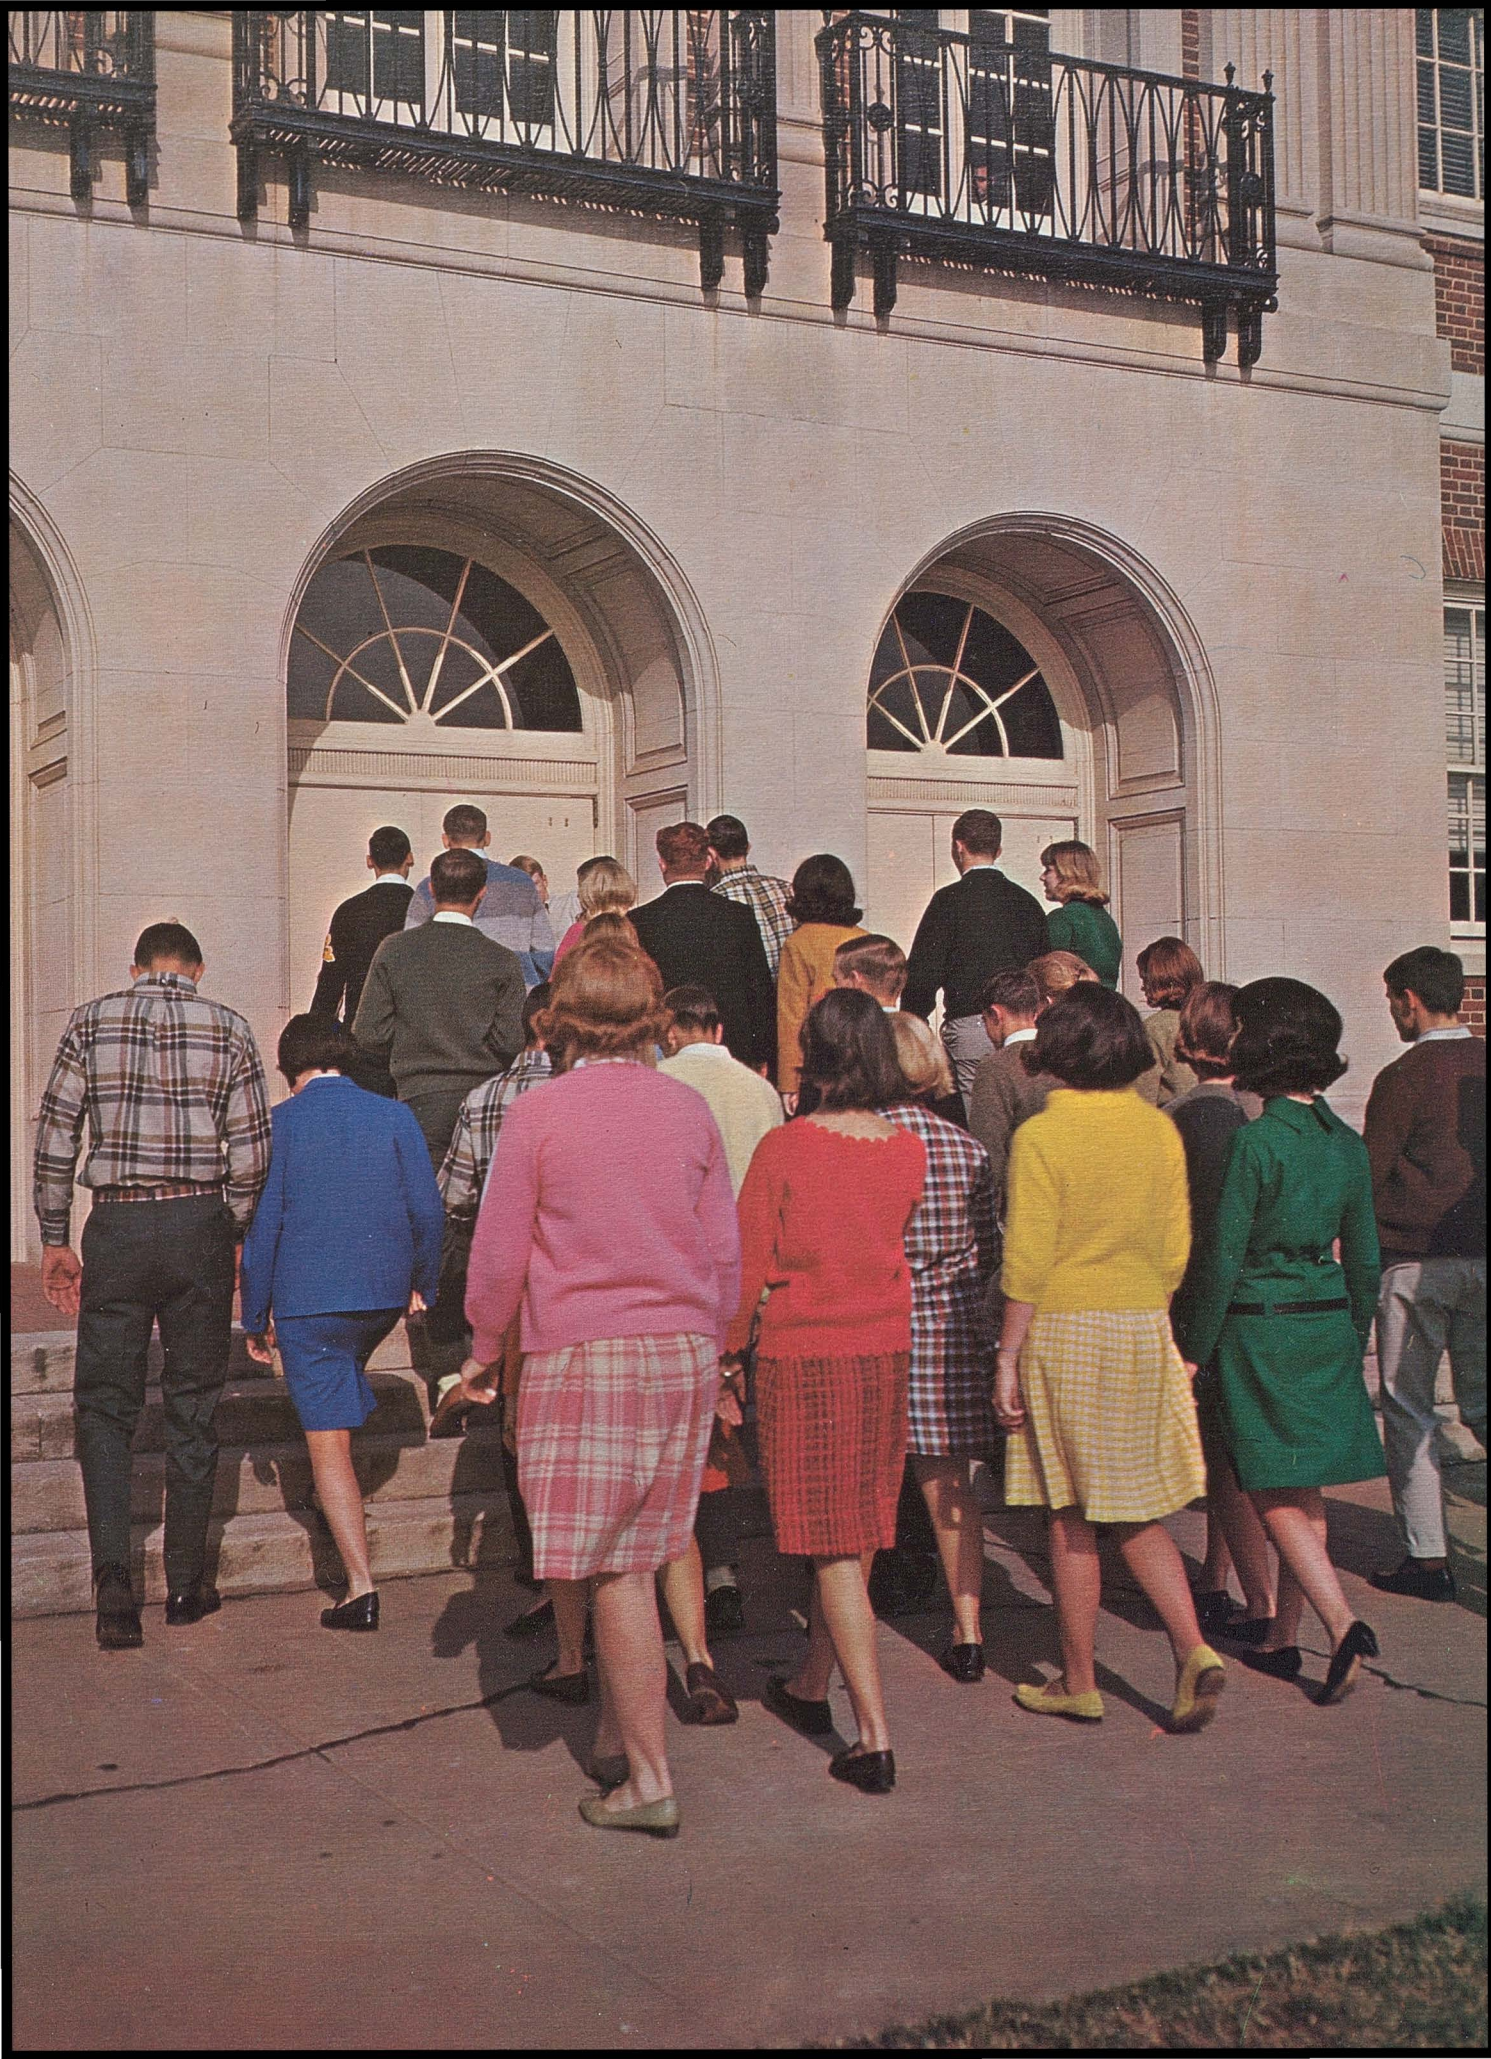

The spirit—exemplified by our dedicated athletes.

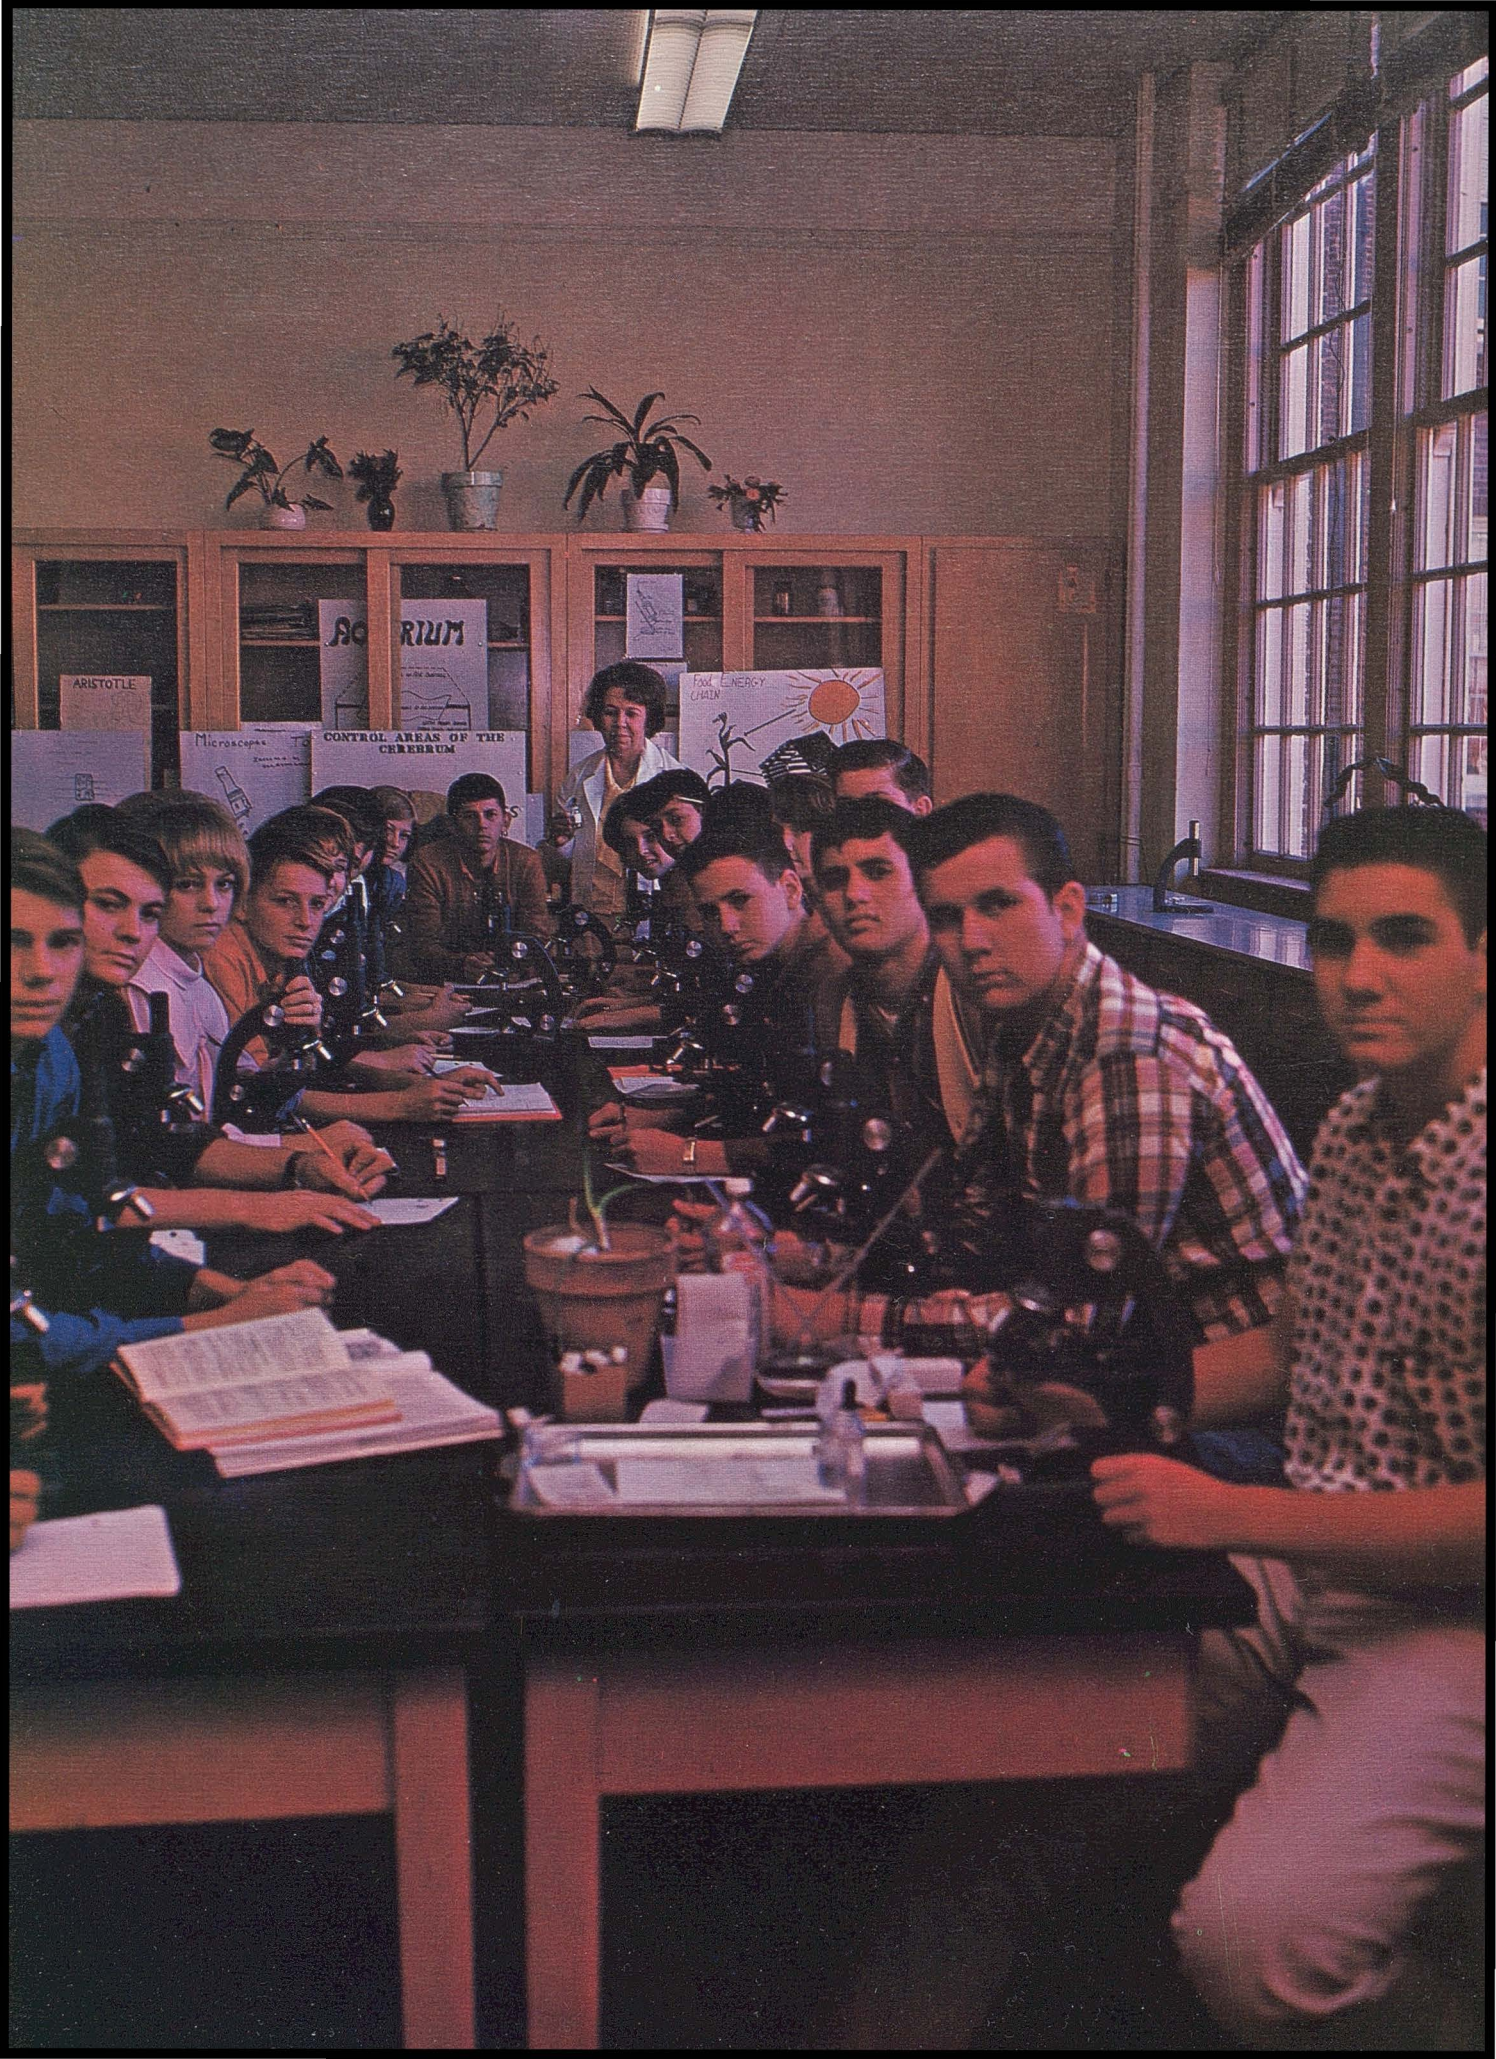

Spirit—a dance of enthusiasm for an anticipated victory.

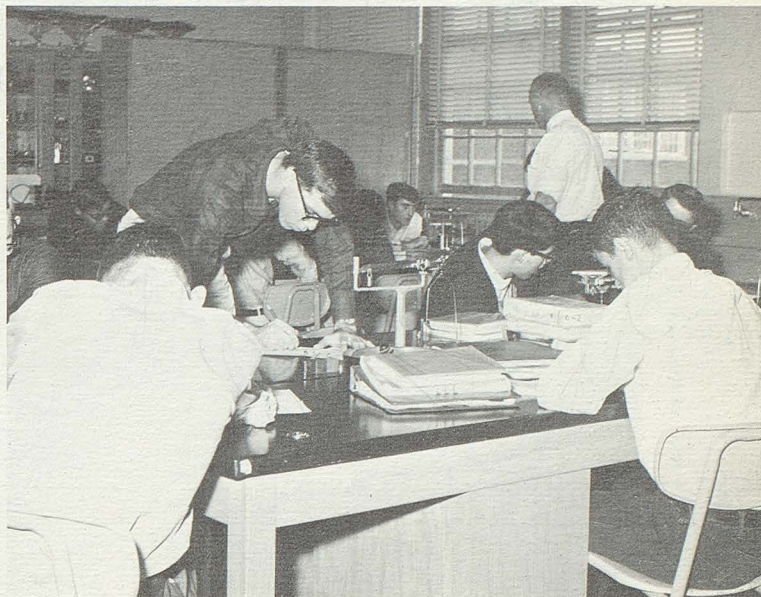

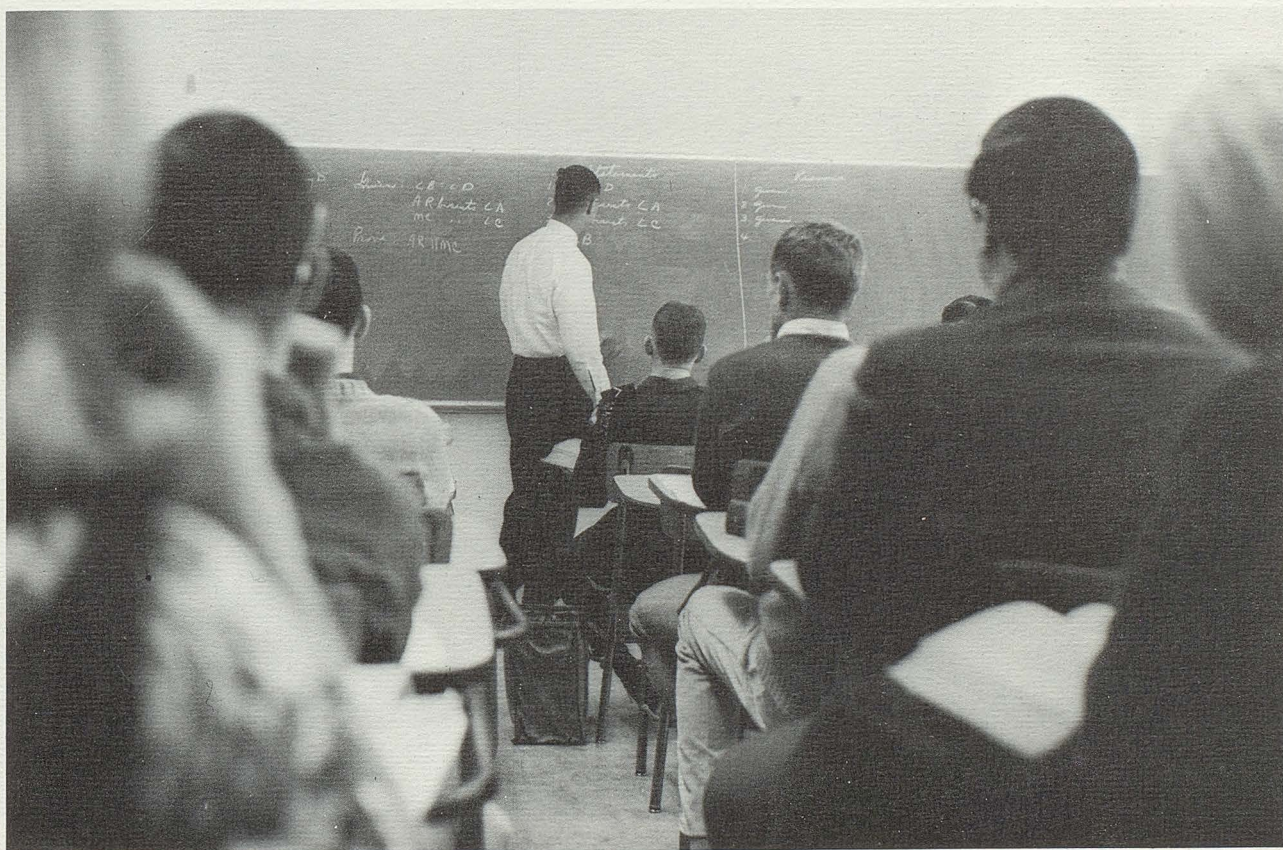

We learn skills to prepare us for the future.

... to Learn

To be prepared for college, we attempt physics.

We attend classes that present a challenge, and study to meet it.

Bob,  
I'm so glad

. . . the humorous events which took place every day.

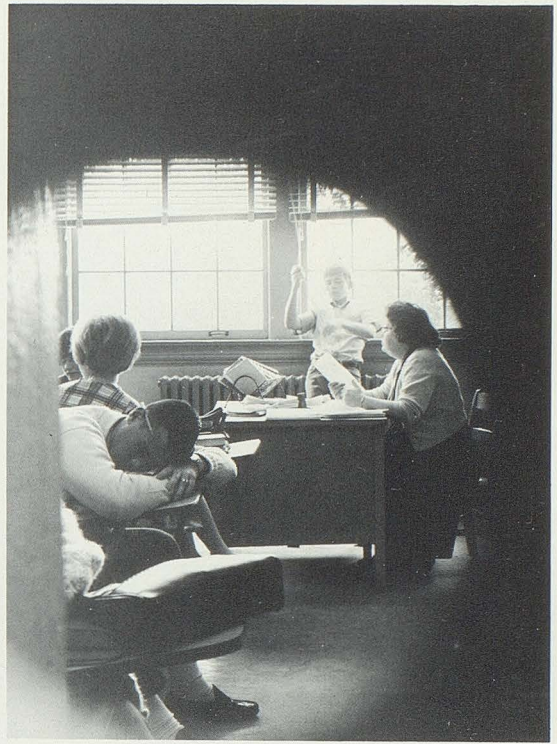

... chaos on the football field.

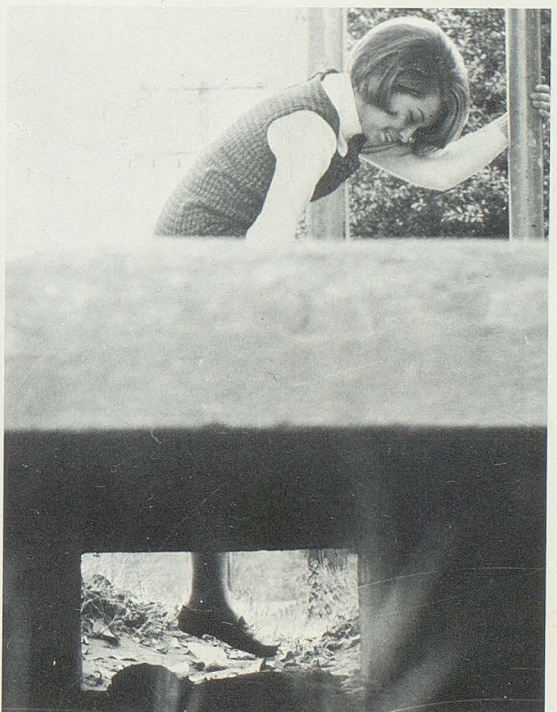

... a moment spent in study and communication.

... classes through a hole in the door.

... a day when nothing went right.

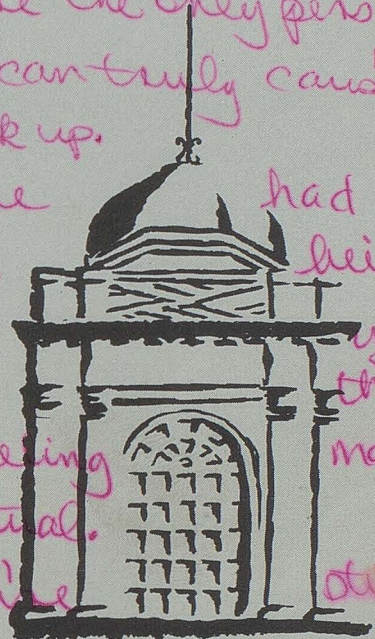

Love ya!!

Bob,

It's kind of hard to write seriously in a book that belongs to you but I'm gonna give it a try. You know that I think the world of you. You're the only person that can truly <sup>make</sup> ~~cause~~ crack up.

I've had a blast with you though even the feeling may not be mutual. You're still my

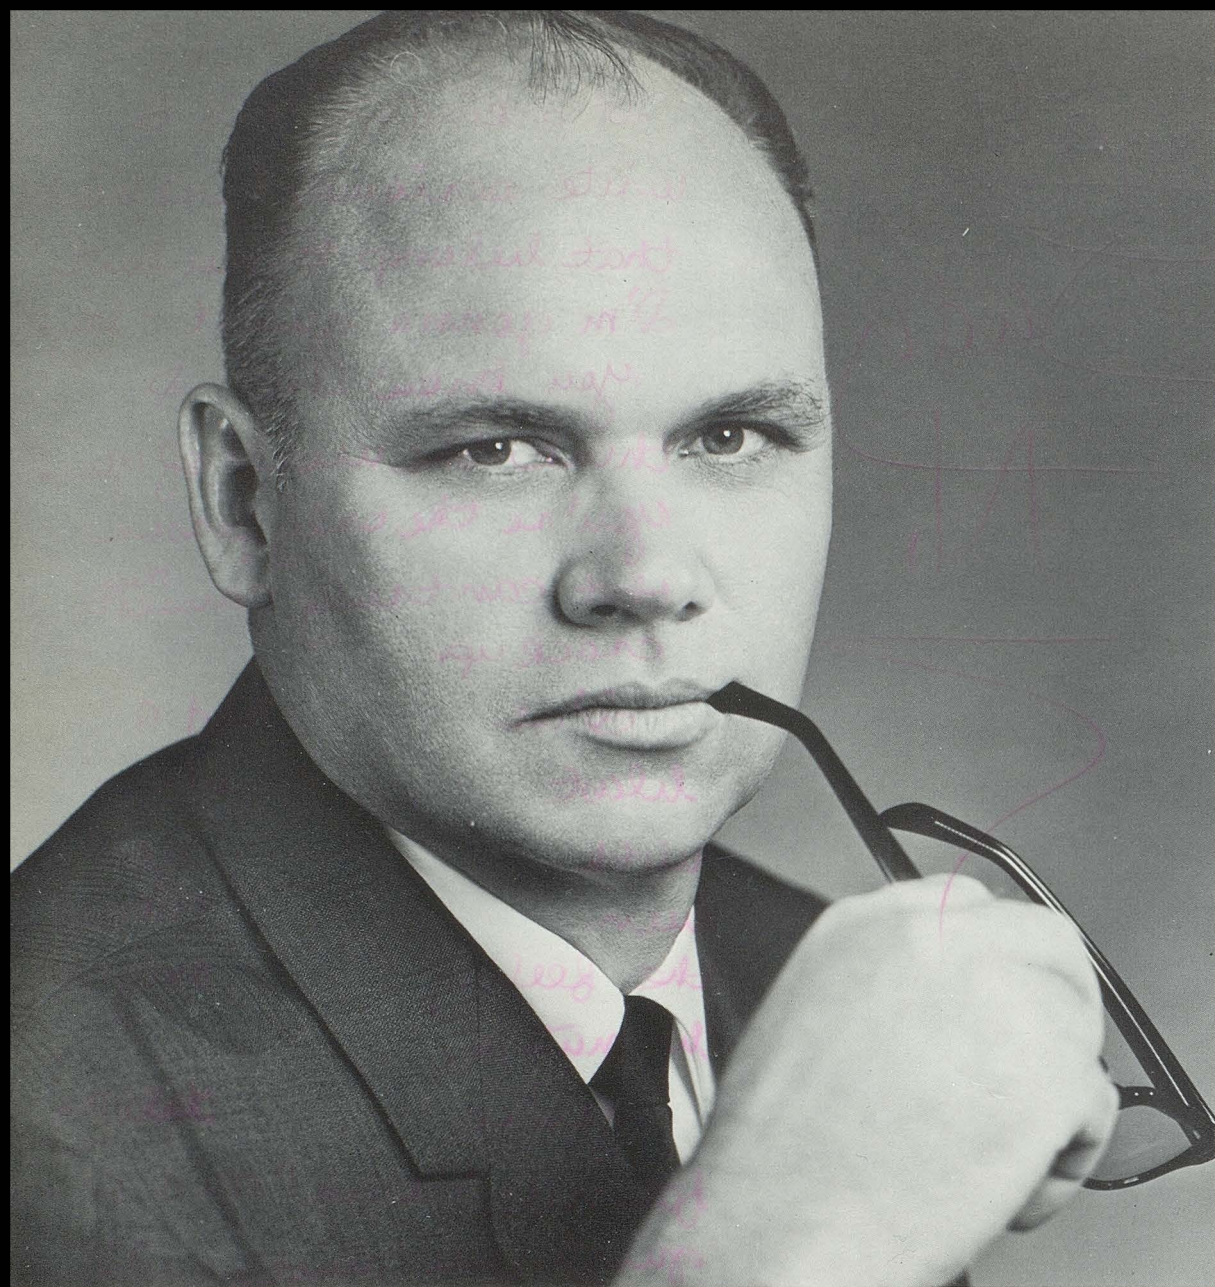

favorite "clown" and I guess you always will be. You ~~are~~ got a personality that can't be beat! (You ain't bad looking either. Personally I think you're kinda cute)

I hope we can have a blast this summer!!! How about buying a boat and some skis!! Man, we could live it up! Until then be good and remember that some day I may be your only friend so we had better make the best of it now!

Man, we could live it up! Until then be good and remember that some day I may be your only friend so we had better make the best of it now!

B. H. BRANTLY

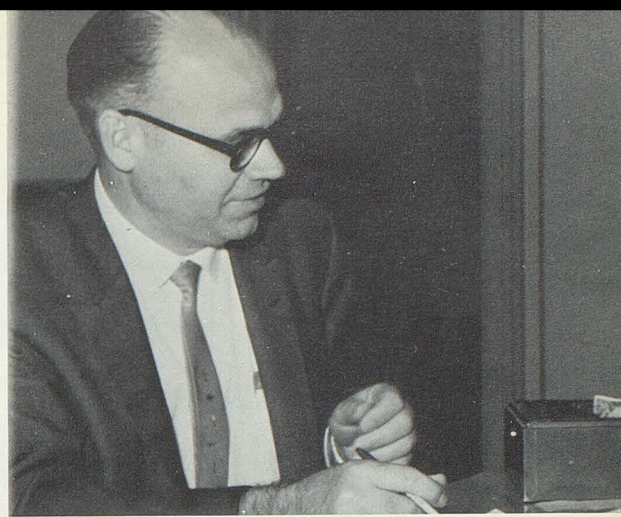

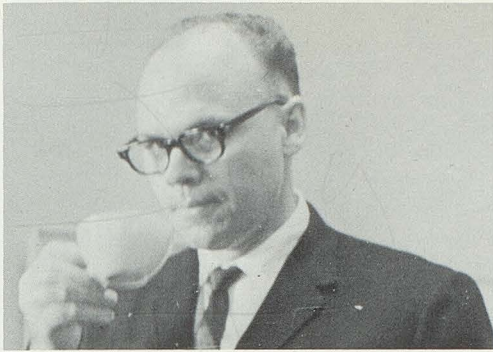

## To Our Principal

When you assumed the principalship for this year, Mr. Brantly, you were determined that our traditions should be preserved and extended. Your alert and sympathetic interest in the students and your loyalty and devotion to duty hold much promise for the future of Fair Park.

Above all else, you are a person whom we all admire and respect. Our sincere gratitude goes to you for being what you are, a leader who guides us without offense—a man of admirable qualities.

For your devotion and concern for our welfare, for your unceasing work in the functions of our school, for your pleasant temperament, for your willingness to give a second chance, for your ability to see the best in us, and for your capable leadership, we would like to say thank you.

## Assistant Principals

Mr. Henderson and Mrs. Murphy, the assistant principals, are two people of whom Fair Park can be proud. Both devote a large majority of their time to the welfare of our school, its students, administrators, and faculty members.

The duties of the assistant principals are many and varied. Mr. Henderson, who was the coach of Fair Park's basketball team last year, is in charge of discipline. He handles student transportation, attendance, and maintenance of the building. Mr. Henderson is also in charge of administration and sees to it that students are kept informed of important events and all extracurricular activities.

An assistant principal for seven years now, Mrs. Murphy works closely with students and teachers to direct the program of instruction. She supervises preparations for graduation and keeps track of numerous textbooks and materials. Mrs. Murphy also assists students in planning schedules for the coming year.

The students and faculty of Fair Park extend a hearty "Thank You" to you, Mr. Henderson and Mrs. Murphy, for jobs well-done.

Mr. Henderson begins his first day as principal.

## Counselors and Secretaries

Guidance services are available to Fair Park students for the purpose of directing them through their high school years. Counselors provide students with information about colleges and available scholarships. Through the direction of the counselors, students are able to plan

class schedules and make plans for the future.

Five secretaries make up the office staff for our school. With the efficient, organized services of these secretaries Fair Park's mounds of paper work flow smoothly to their destinations.

# CURRICULUM

Office assistants find few occasions to do English homework.

Mrs. Gilbert reads to her class from **Silas Marner**.

## English

Effective communication for progressive living is the stressed importance of the four required units of English. Each student learns the fundamentals of English usage and grammar. Practical English is taught by drilling in correct spelling, writing, and vocabulary, preparing the individual for the future.

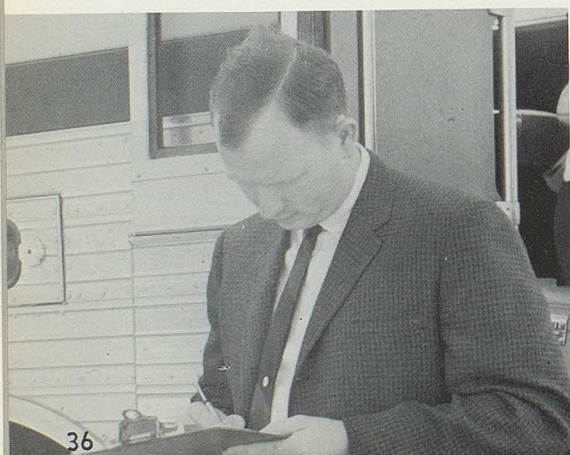

With this to build on, classes explore World, American, and English literature in detail. Creative expression is encouraged as students relate through essays, short stories, plays, and poetry. Insight into the world of today, yesterday, and tomorrow, and personal development are enhanced by wide reading made attractive by English studies.

Every participant finds an area of interest in English; Sophomores enjoy reading **Silas Marner**, Juniors make a study of an assigned novel, and Seniors delve into the world of William Shakespeare, Geoffrey Chaucer, and Charles Dickens.

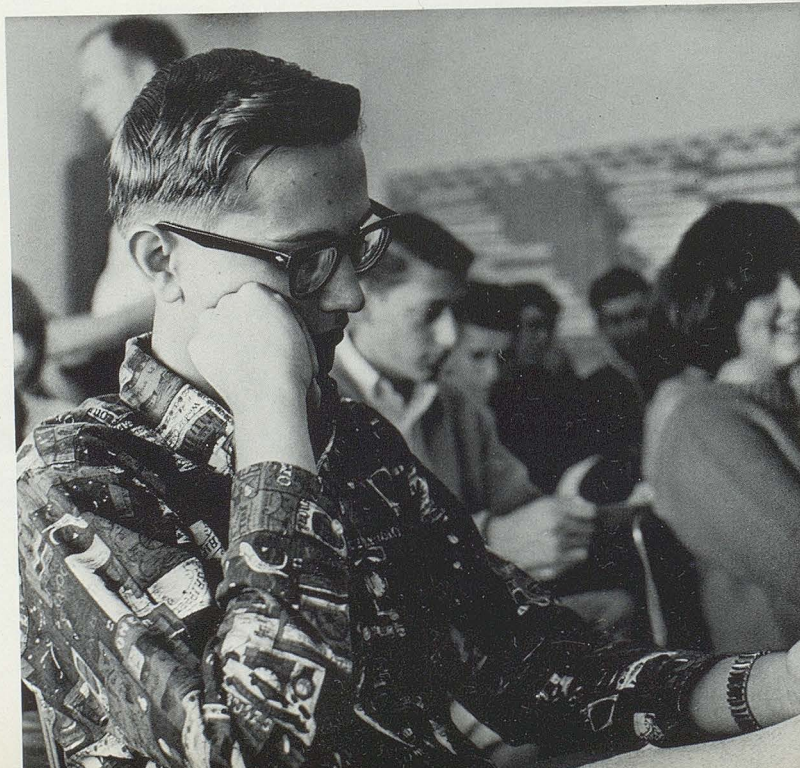

McNeese the Magnificent!

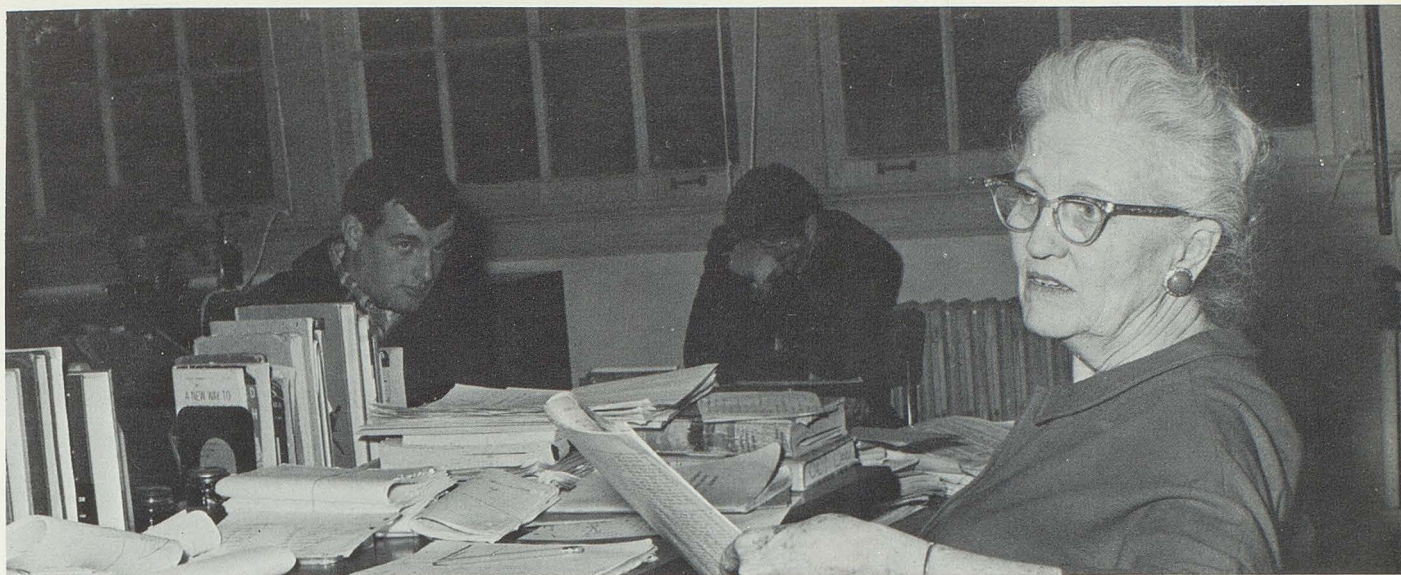

Mr. Reynolds checks names as students board the bus for an out-of-town football game.

The moment of truth draws near as English exams are returned.

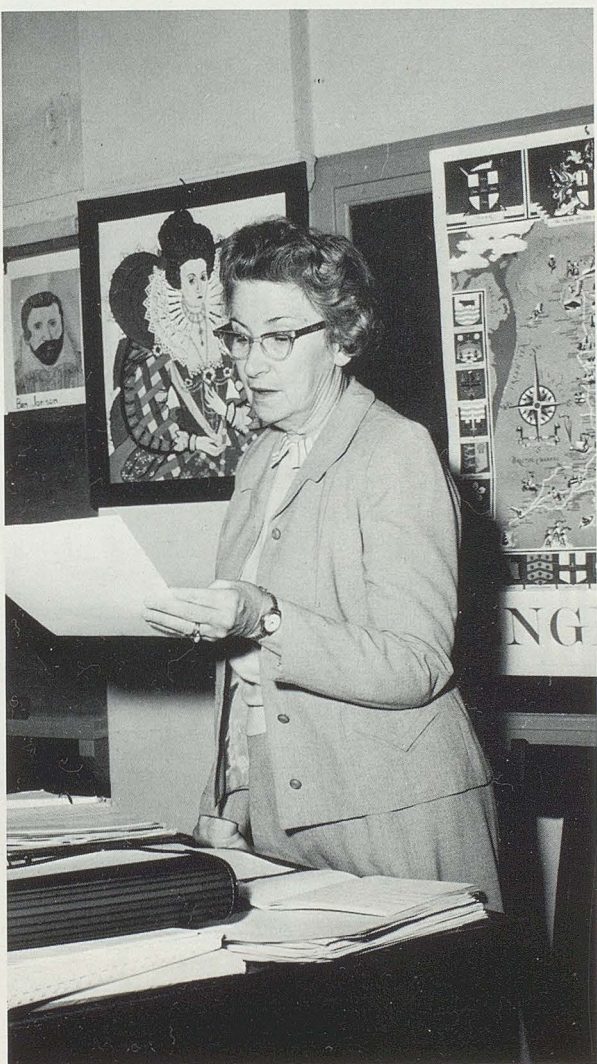

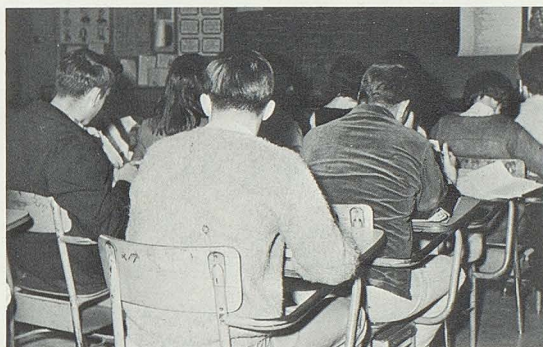

Senior English teacher, Mrs. Jones, enlightens her students with an article from a leading magazine.

Mrs. Davis gives her class constructive criticism concerning their English papers.

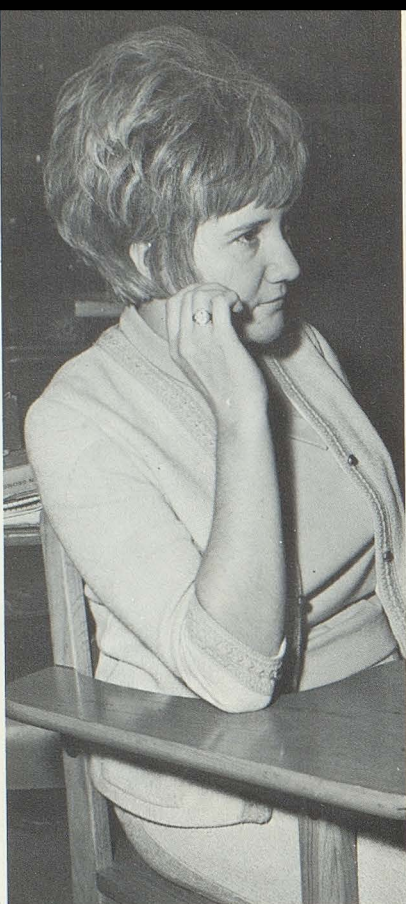

Seniors learn to work diligently on themes.

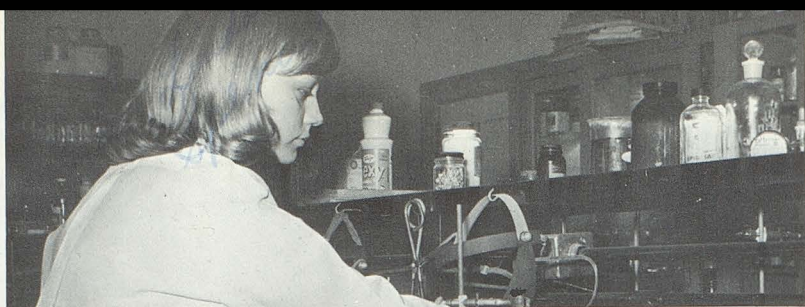

Juniors find it hard to concentrate on English.

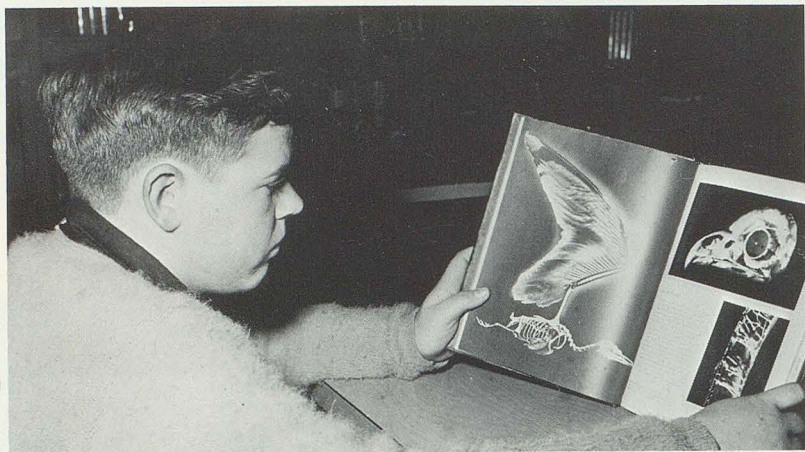

Even teachers enjoy listening.

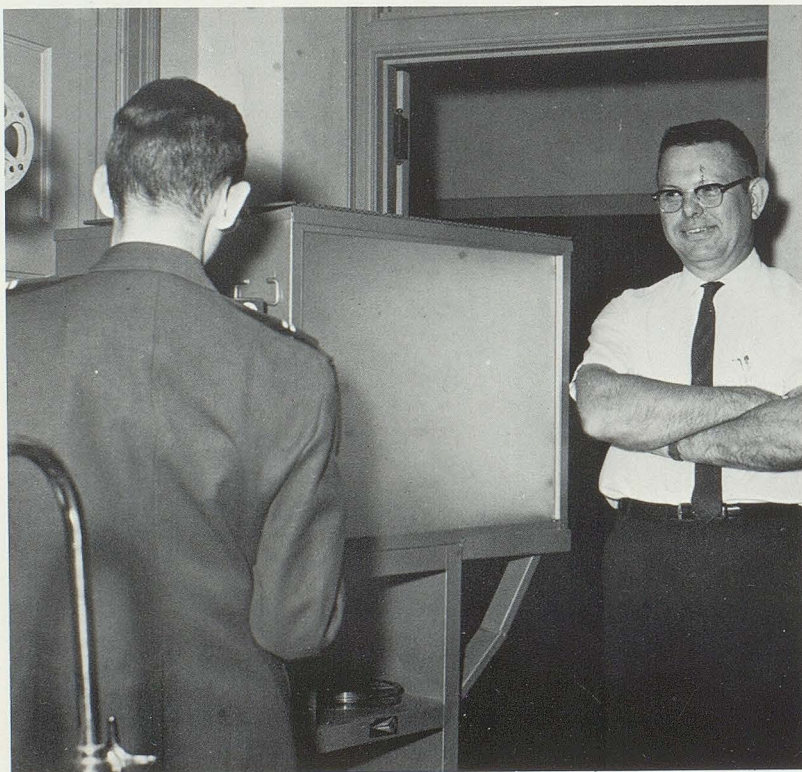

The equipment of the chemistry lab is handled with care.

## Science

Detailed illustrations aid students in their studies.

Visual aids help Mr. Bunch teach his chemistry class.

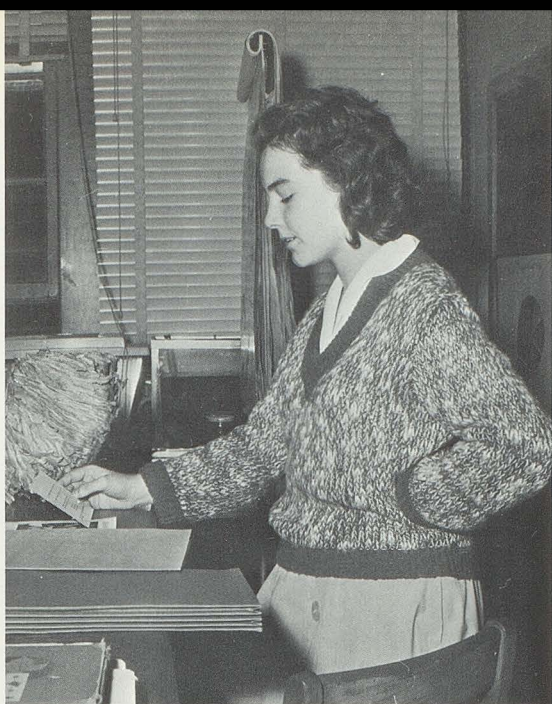

Two units of science are required by each student graduating from Fair Park. He may choose from courses such as general science, biology, chemistry, or physics.

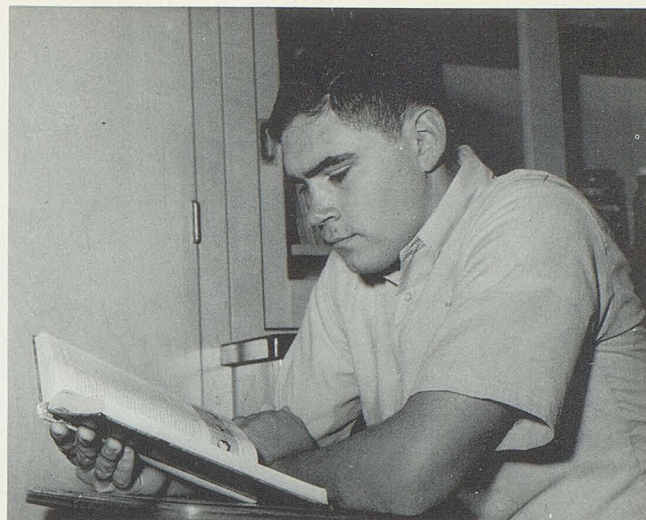

New thoughts are stimulated through participation in various demonstrations and through the learning techniques which are offered.

Students in biology learn to look at life at a different angle by dissections, experiments, and class discussions. In chemistry, students discover the many elements which compose our ever changing world. Physics students are made aware of the numerous laws which concern our everyday life.

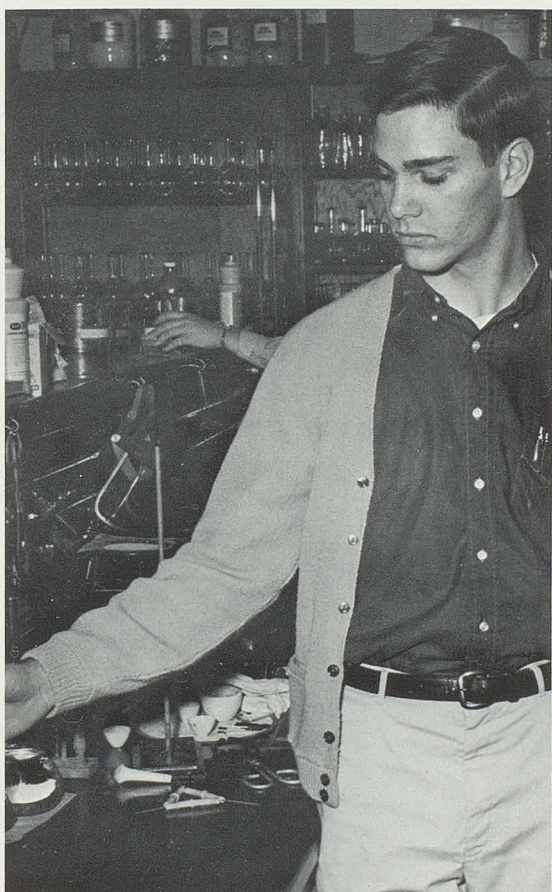

Jackie Smith gives a report of interest to the Science Club.

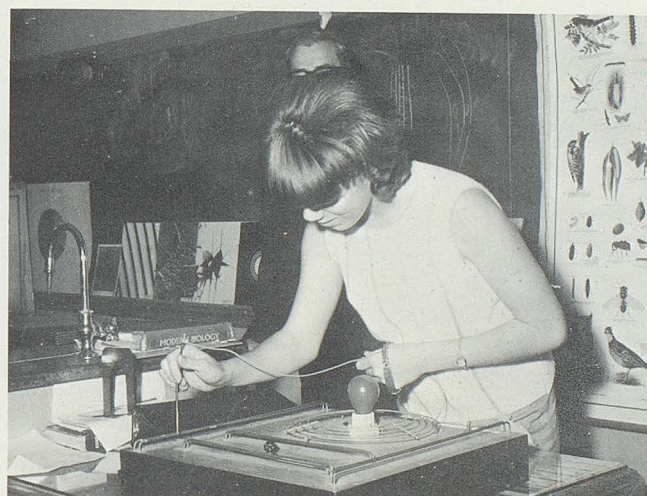

Many hours are spent studying biology.

Chemistry students learn the mechanisms of the lab.

Wayne Williams listens enthralled to a physics teacher.

Proof through experimentation aids in the teaching of biology.

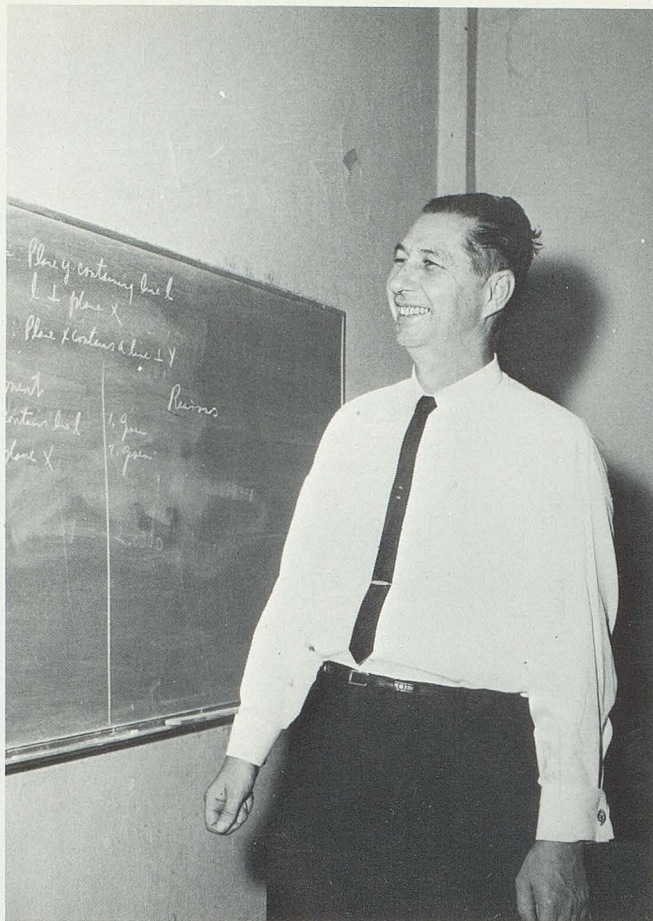

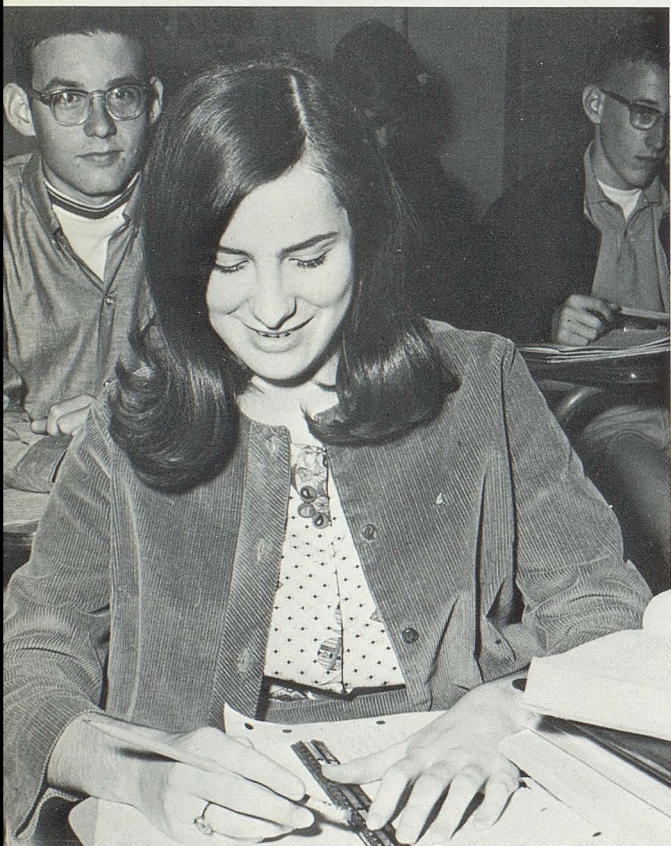

Mathematics courses fulfill the need of every student at Fair Park, whether he decides to seek higher education in college or to procure a job upon graduating. Several math courses are offered at Fair Park such as Business Math, Algebra I, Algebra II, Geometry, and Advanced Math, concerning trigonometry and advanced algebra.

A combination of lectures and demonstrations are exhibited by most of the math teachers. The blackboard is an essential tool in the classroom along with rulers and compasses.

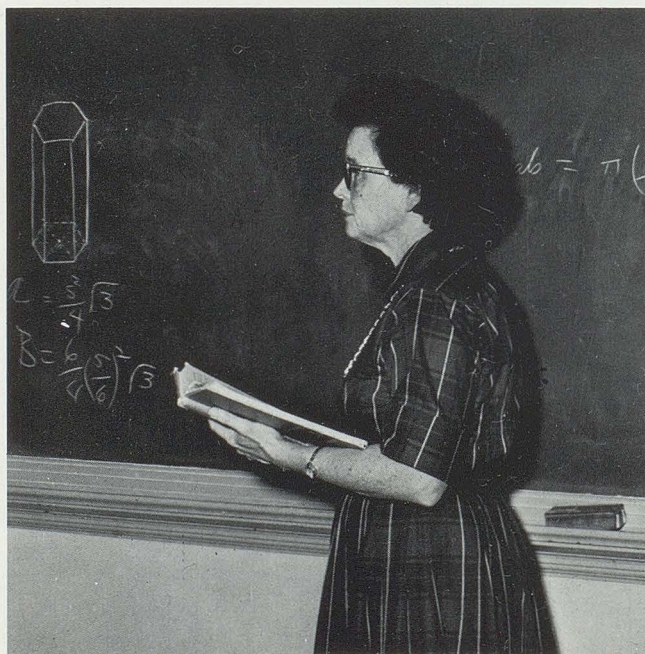

This year witnessed the birth of a new method of teaching. Team teaching is composed of students taking advanced math, advanced physics and advanced English. Unlike the normal classroom, three teachers work together in combined efforts to provide a more unified approach to both teaching and learning.

## Math

Some students find geometry challenging.

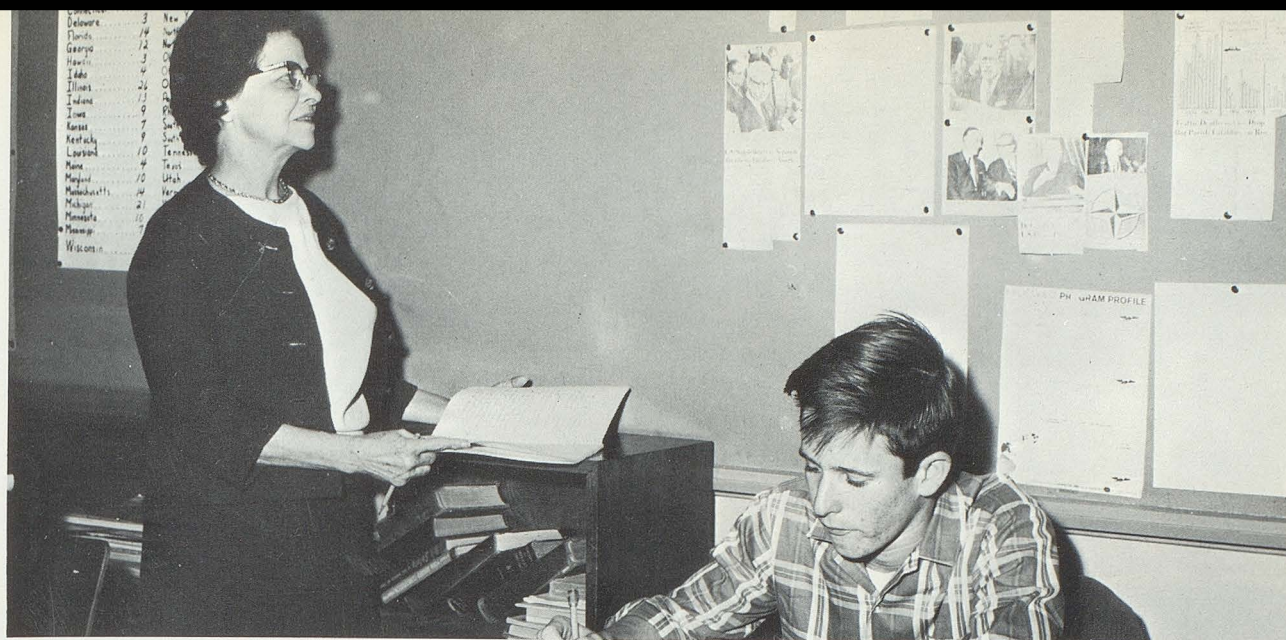

Mr. Humble proves advanced math can be enjoyable.

Mrs. Melton clears up confused minds in algebra II.

Social studies students are well versed in current events.

## Social Studies

Fair Park students learn a lot of their past and something of their future in the social studies courses offered. Those chosen by the students are World History, World Geography, Economics, while American History and Civics are required of all to graduate.

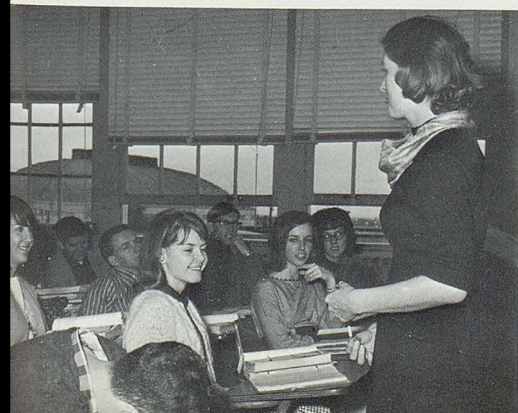

The Civics classes learn about the structure of our government and about the officials who represent the people. They learn about elections through counting votes in various school elections. American History students study and learn about the events and people which have made our country great.

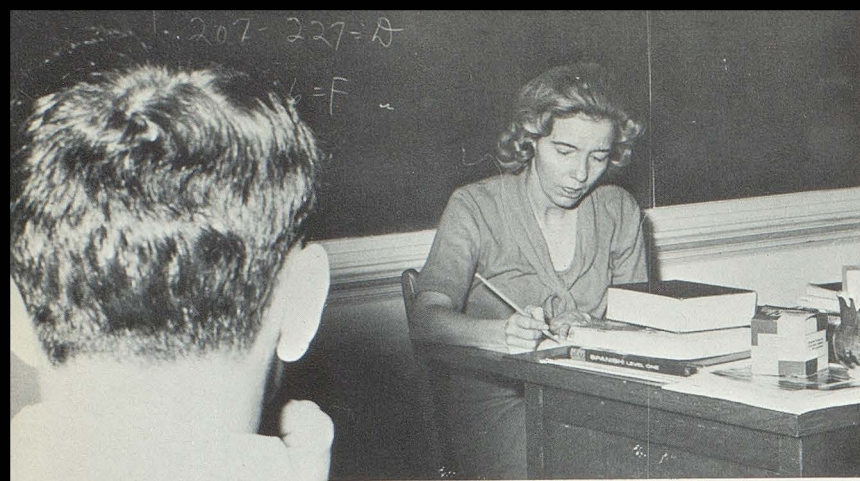

Mr. Humphreys reminds students that a good American History student must be well informed.

Classroom work enables students to understand the subject matter.

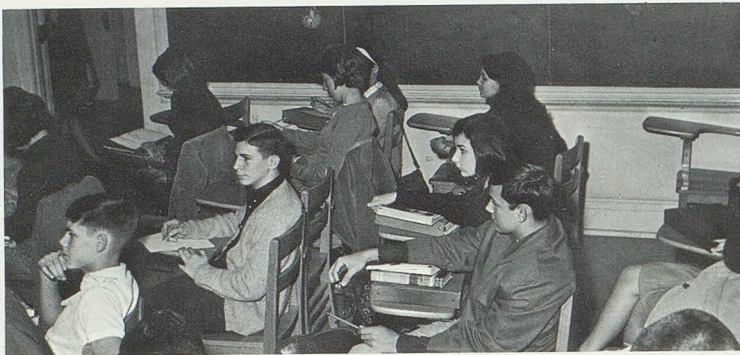

Students express individual enthusiasm during a world history class.

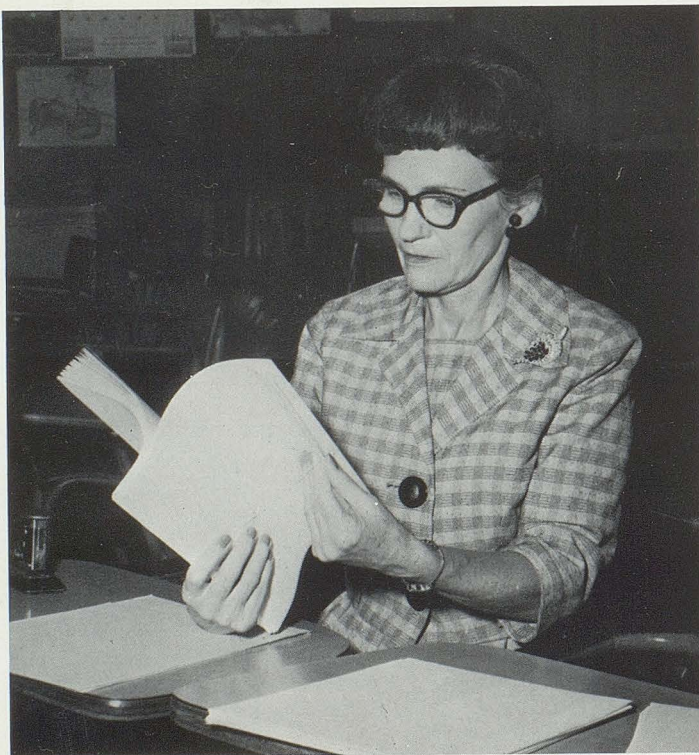

Mrs. Baker records the grades of Spanish students.

Spanish students learn to think in class.

## Language

Mrs. Johns spends her full period grading Latin papers.

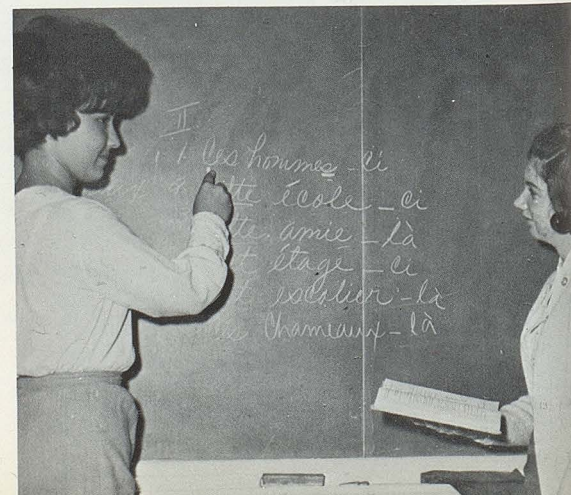

The Latin banquet portrays old Roman customs.

Today the mastering of English is of vital importance, but it is often desirable to know a foreign language.

As languages are often a requirement for college entrance, Fair Park offers a choice of three. Two years each of Spanish and French, and three years of Latin are offered. Pupils not only study grammar, vocabulary, and derivatives, but also the customs of the country.

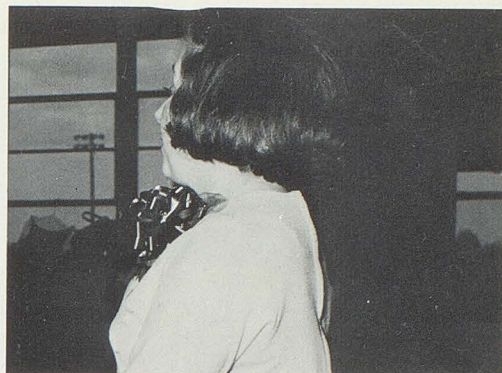

Mrs. Chandler renders special assistance in understanding French.

At the end of a home economics class, students find time for conversation.

Mrs. Bertiaux helps her students to plan for the future.

A home ec assignment takes thinking to complete.

Susan Boyd learns the skills of sewing.

Sometimes sewing takes co-operation.

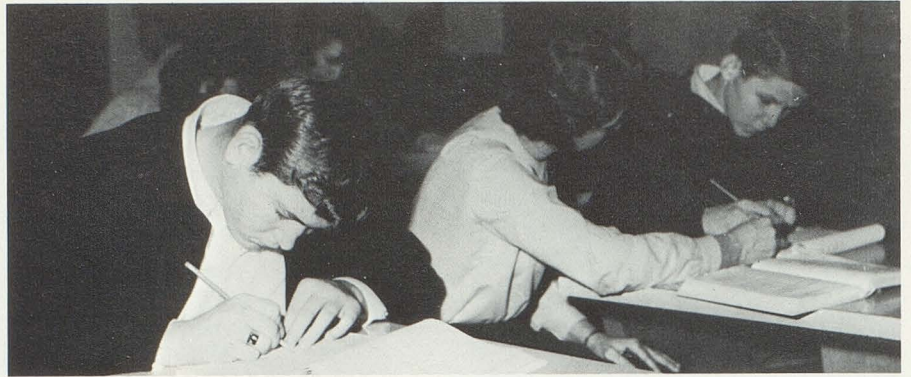

## Home Economics

In Home Economics and Home and Family Living classes, girls are trained for their important job of homemaking. Personal grooming, meal planning, cooking, sewing, and serving are taught as a foundation of knowledge all homemakers should know. The girls also learn practical methods of buying and caring for the home. Help with personality development and everyday problems are also offered in the courses to help them become better family members.

Students learn to apply their commercial skills.

Concentration is required in bookkeeping.

## Commercial

The use of several machines is taught in commercial courses.

Many useful commercial courses are offered at Fair Park. Such courses as typing, shorthand, bookkeeping, office practice, general business, business English, and business math offer students an opportunity for developing a firm foundation for a career in the business world.

This year, a new program, C.O.E. has been started to offer students practical experience in office work. Upon completion of these courses, a student may immediately enter into a job, or he may use his learning as a foundation on which to build in college. Some courses, such as typing and general business, prove useful even to those who are not planning on a commercial career.

A pause in typing provides time for instruction.

Typing assignments take time.

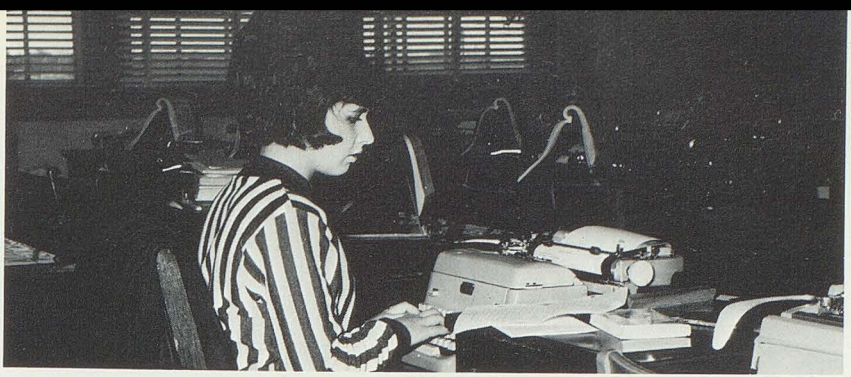

Students apply shorthand skills in other classes.

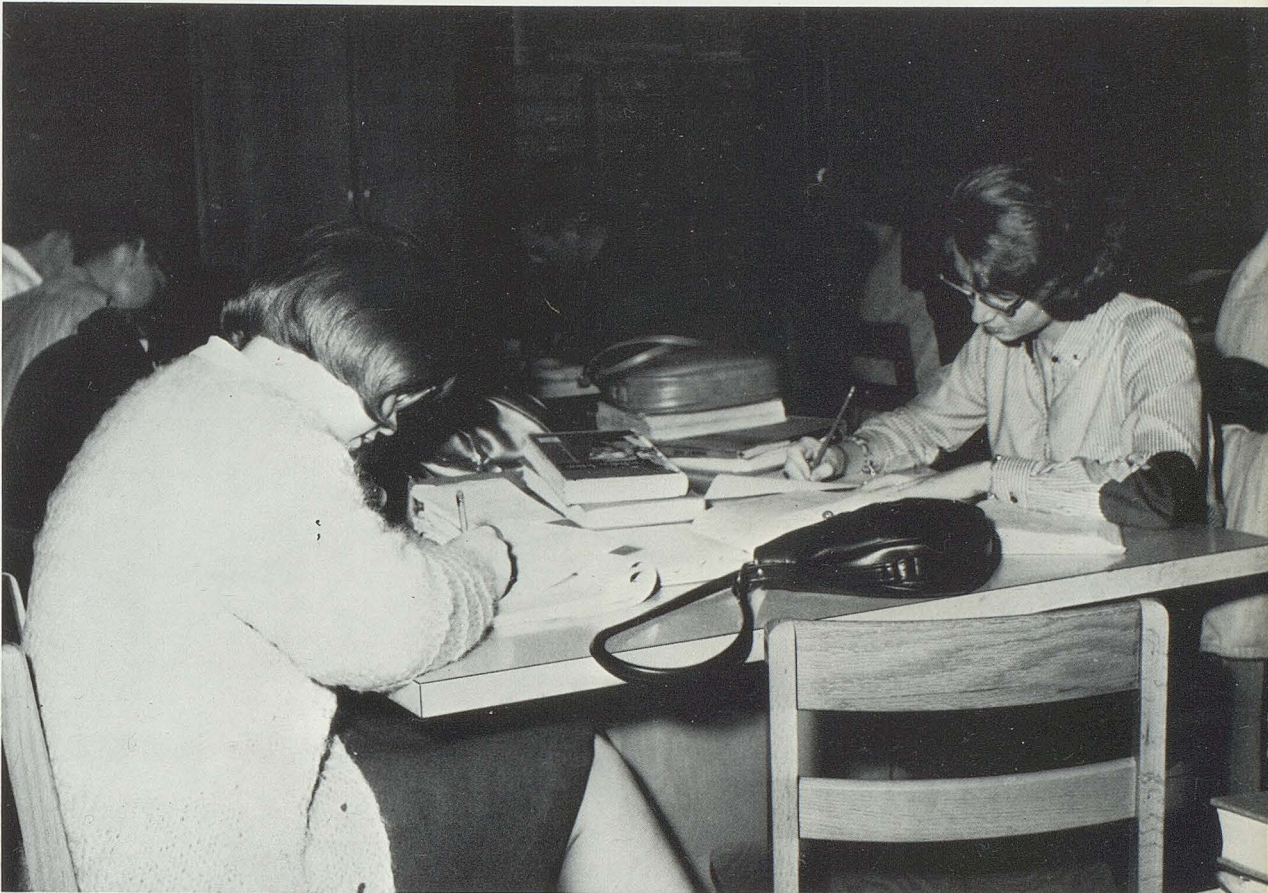

Mrs. Morris, a school secretary, is a good example for commercial students.

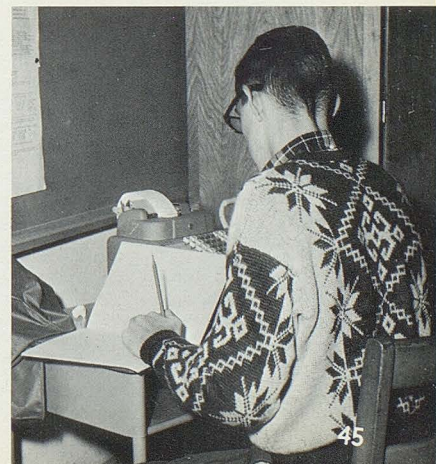

Free periods are used to practice typing.

Bookkeeping requires perseverance.

Filing and typing are useful.

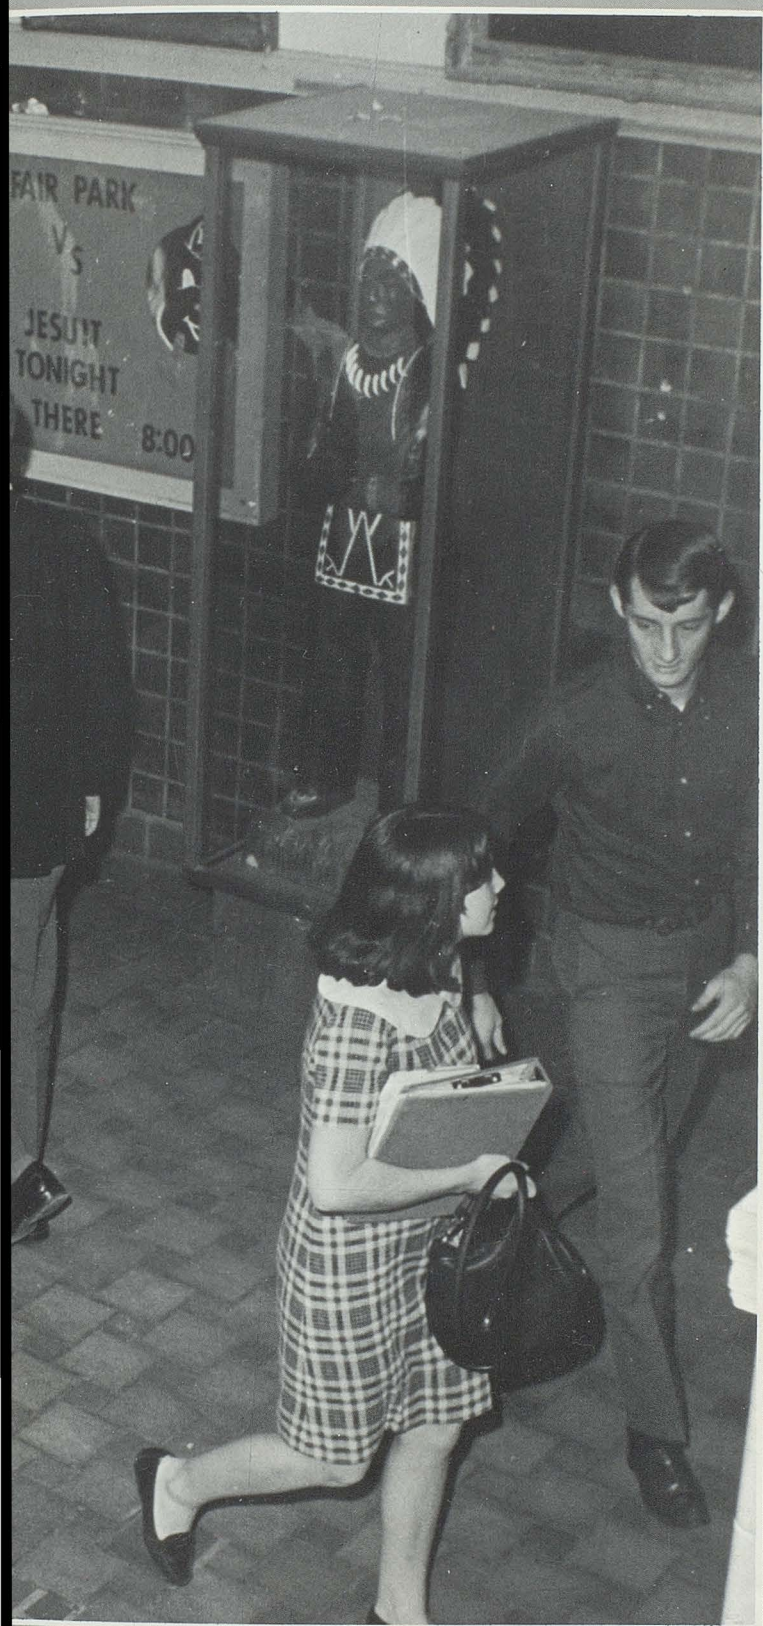

Students learn to manipulate the adding machine.

Indian uprising in cafeteria.

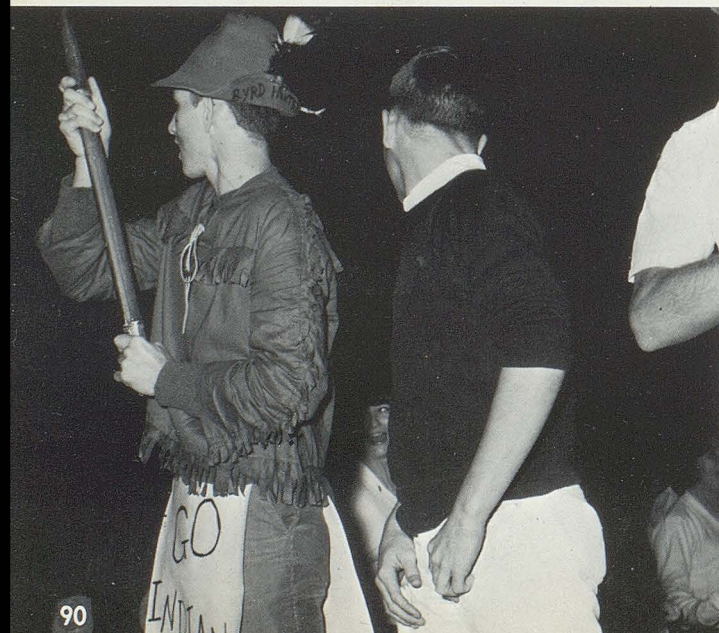

Faculty members lead in boosting spirit.

The tradition of the Indian war dance takes on special meaning.

Jackets . . . this is war!

Will you help me keep my wigwam?

The campus became a reservation.

Teachers swing on Beat Byrd Day.

One little, two little, three little Indians . . .

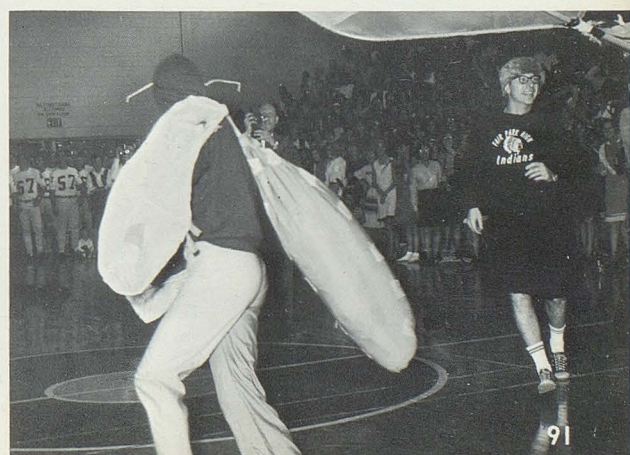

Peace pipes were smoked, but war was waged.

Squaws peacefully attend classes despite the coming battle.

Swat the jackets!

## National Honor Society

The National Honor Society is an organization that honors juniors and seniors who have excelled in character, leadership, scholarship, and service. To be eligible for membership a student must have a B average and must maintain that average.

Scholastic excellence is only a part of the requirement for membership in Honor Society. A person must have served his school in several areas or extracurricular activities, and he must have shown leadership and participation in the organization which he joined.

Students gain membership through academic

record and teacher recommendation. A teacher who has worked with or taught a student may recommend him.

The National Honor Society is not so much a service club as are other organizations. Members monitor for special tests, act as ushers for the Fair Park baccalaureate and carry diplomas for graduation.

The faculty sponsor is Mrs. Ruth Johns. She is assisted by Miss Ernestine Johnson and Mr. Lewis Day.

## Pelican Girls' State

Eight girls from Fair Park are chosen on the basic requirements of initiative, leadership, abilities, scholarship, and personality. They spend about ten days in Baton Rouge on the L.S.U. Campus learning the fundamentals of local, parish, and state governments. They gain practical experience by actually taking part in the election of officials and by performing the duties of their office.

From Fair Park Kathie Coco was elected Mayor of her city, and Amanda Davis was the Federalist Party nomination for Lt. Governor.

In addition to learning the mechanics of the government, they also learn the rights and privileges which they enjoy as Americans. They learn to appreciate our democratic form of government and the freedom guaranteed by the Constitution.

Tarver Spivey was chosen as Mr. South Carolina City, and Joe Ford was the Federalist Party nomination for Lt. Governor.

## Fair Park High School Student Council

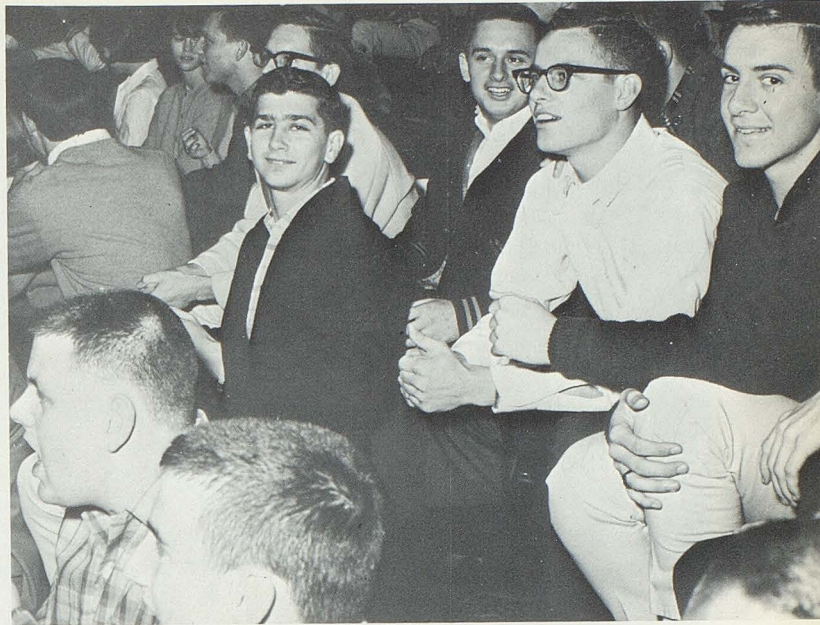

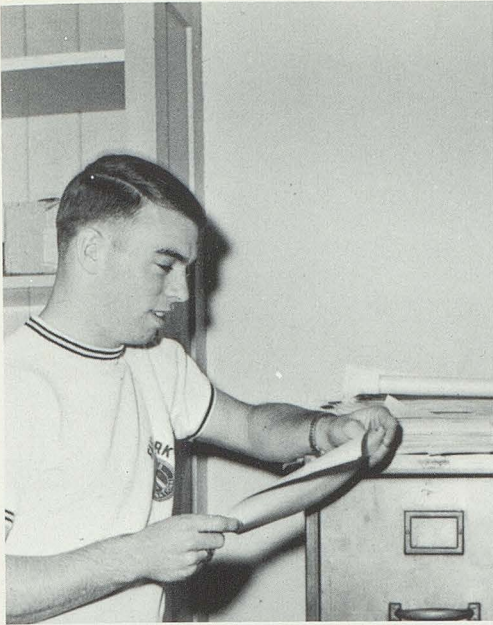

Serving as an example of democracy, the Student Council is an organization of students elected by the students. In all matters of concern to the entire school, the student representatives serve as the official representatives of the student body.

The President of the Student Council received leadership training at Camp Cheley in Estes Park, Colorado; officers attended the state workshop in Monroe, Louisiana; and representatives attended the state convention in La-

fayette, Louisiana.

Activities of the Student Council this year included serving as President of the Louisiana Association of Student Councils, and presiding at the state convention; presenting the Student Council Talent Show; conducting Chapel Services; keeping the bulletin board; ushering at various activities at the Youth Center; participating in Operation Big Sweep and Operation Christmas Star; sponsoring Homecoming, and aiding in the PTA Membership Drive.

This year, the work of the Fair Park Safety Council has become more evident as the club's activities have expanded. Sponsor Don Fritz sees to it that the Safety Council enforces all campus laws on student parking. This new organization of enforcement has eliminated much of the confusion that has previously existed in the parking areas. The club not only sold parking stickers, but they have also checked daily the incorrectly parked cars.

The council was divided into three committees which were Home Safety, Traffic Safety, and School Safety. Each committee worked on different projects to help reduce accidents in our school and community. To climax the project was School Safety Week in which the different committees planned the week's activities with skits, hall decorations, and a closing assembly. This emphasis on safety helped to make Fair Park students more aware of existing dangers.

OFFICERS: Mr. Fritz, Sponsor; Miles Hitchcock, Acting President and Vice President of Traffic Safety; Rodney Waller, Acting First Vice President; Herman Duke, Acting Vice President of School Safety; Renee Stinson, Secretary-Treasurer; Martha Huckabee, Assistant Officer; Jeanie Joyner, Assistant Officer.

Christmas tray favors are made by members.

The Junior Red Cross, sponsored by Miss Pat Fox, works for the betterment of the school and community. Representatives chosen from each home room combine their efforts to fulfill this task.

During the Thanksgiving and Christmas seasons members prepared tray favors for those in the hospitals and old-folks' homes in Shreveport. They collected food and clothing to be sent to needy families in New Orleans after Hurricane Betsy. Red Cross members sold corsages for the Homecoming football game and published Fair Park's student directory, which gives the names, addresses, and telephone numbers of students and faculty.

Red Cross had no trouble selling the 1965-66 Student Directory.

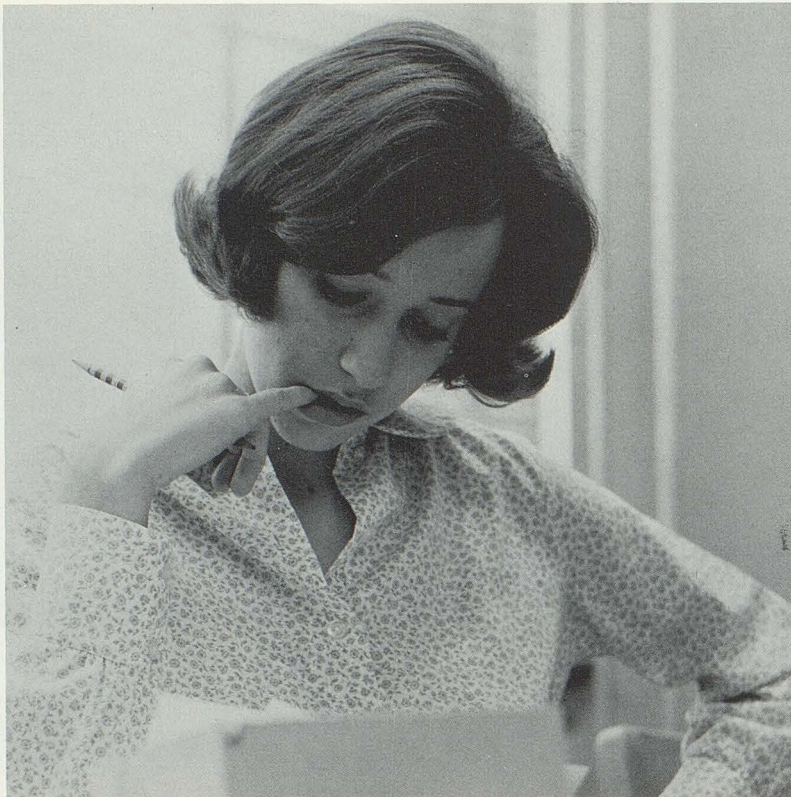

Red Cross members serve others and in so doing enrich themselves.

The Sequoyah staff of 1966 has worked diligently to create the best possible yearbook for the students of Fair Park. This work has meant many sacrifices on the part of the staff as well as the faculty advisor, Mrs. Mary Lou Craine. Holidays and weekends were spent at the school trying to meet deadlines. The work was done freely and gladly in order to record all the happy memories each student wishes to remember about Fair Park. We of the staff hope that we have fulfilled this goal and that the book will be enjoyed by all for whom it was meant.

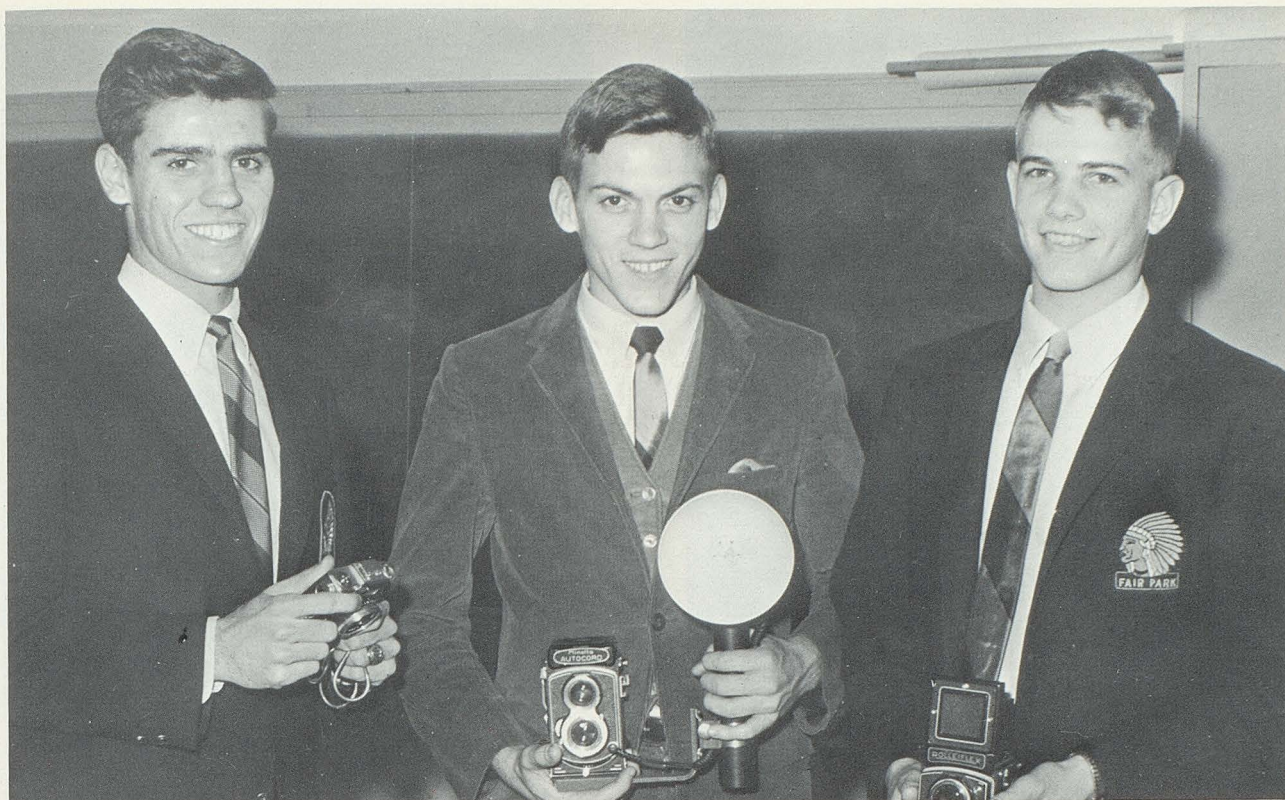

A last minute check is given to layouts before they are sent in.

## Sequoyah Ad Staff

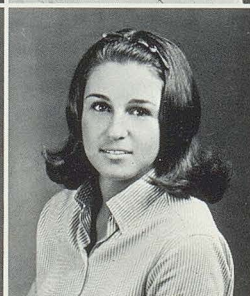

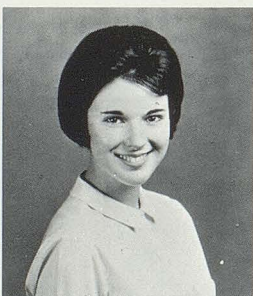

The Sequoyah Ad Staff, beginning their work August 1, contact prospective buyers during that month. Each member of the staff works to meet her quota of sales which is one hundred dollars. These sales go to help finance the publication of the year-book and keep it at a reasonable price. Other duties of the members throughout the year include recording ad sales, typing statements, and verifying ads. Membership is gained by recommendation of all teachers and maintaining a C+ average. This year the staff worked under the sponsorship of Mrs. Pat Fullerton and the leadership of Manager, Rhonda Humphrey and Co-Manager, Peggy Bowlin.

The girls, having qualities of charm, courtesy, and initiative, gain valuable experience in learning to meet the public. One reward given the staff for their service is a gold or silver charm.

In the early years of the Sequoyah, (1931-1949) the finances were handled by the Business Staff. This staff combined the activities of the advertising staff and the circulation staff. As Fair Park grew, so did the financial structure of the Sequoyah. In 1950 it became necessary to divide the business staff into the Advertising Staff and the Circulation Staff.

Mrs. Ouida McClellan served as sponsor of the Circulation Staff from 1950-1957. In 1958 Mrs. Norma Jean Brown assumed the activity of sponsor.

Grace Copeland, Emilie Rothenberger, Evelyn McKneely, Renda Stinson, Jenny Fore, Nancy Kent.

The Circulation Staff (basically a service organization), assumes the responsibility of providing part of the income to finance the publishing cost of the yearbook. The members of the staff are responsible for publicizing the dates when orders for the Sequoyah can be made, accounting for receipt books, making collections and preparing the final order.

One of the major tasks performed by the staff is the distribution of the yearbook. While the student body enjoys the day the yearbook is delivered, the Circulation Staff works harder than any other day in the year. It is their job to see that all books are delivered, and that copies are mailed to students who have moved.

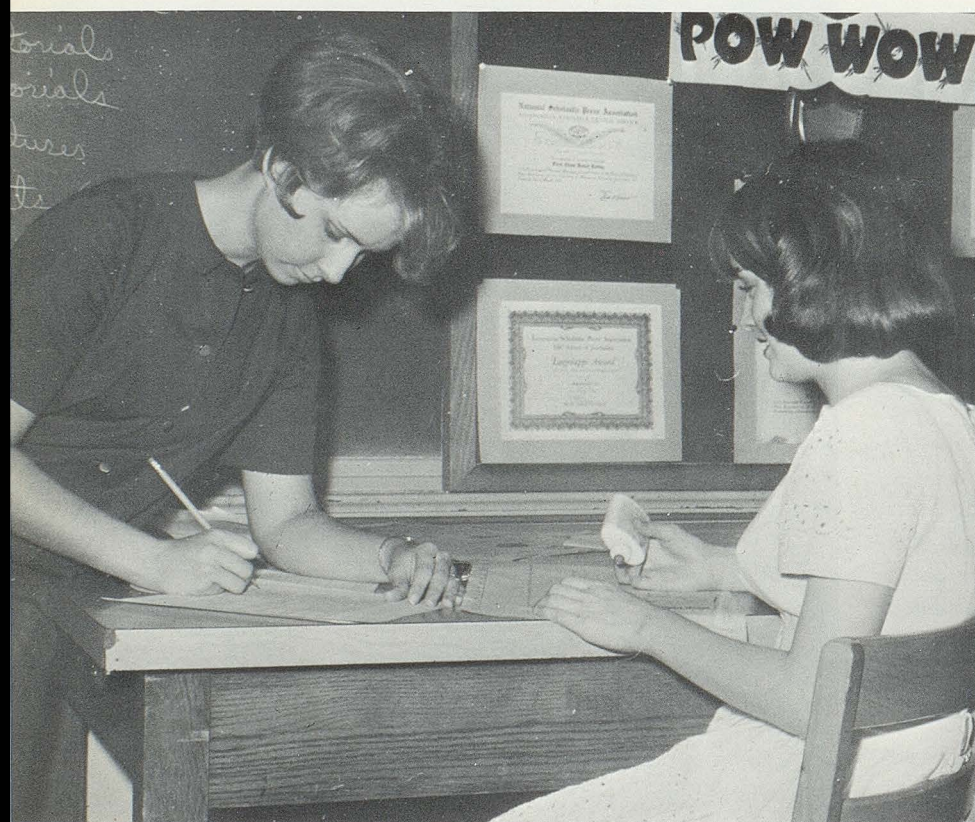

Notifying the student body of their opportunities to order the yearbook is one job for the staff.

Miss Mary Jane Ethridge, SPONSOR; Donna Jolly, EDITOR-IN-CHIEF.

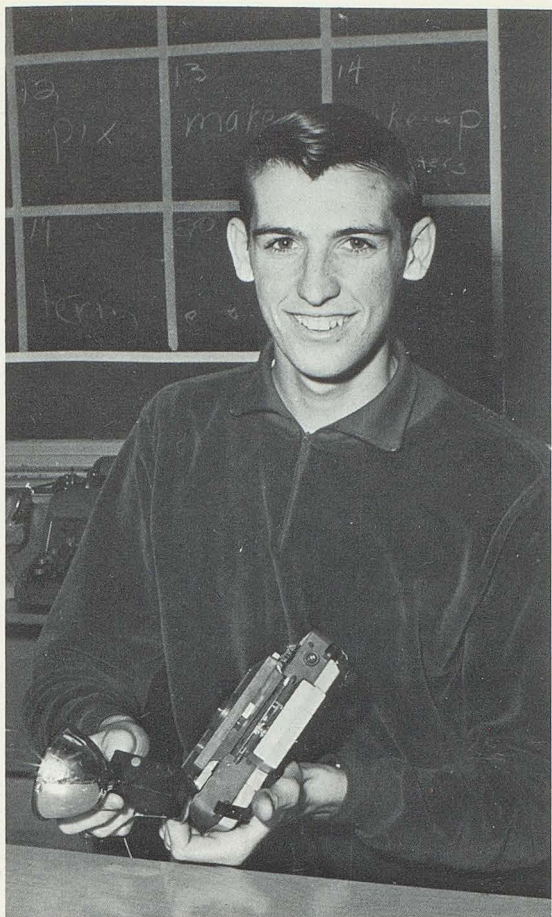

With an editorial staff of eight assisted by twenty-five reporters, the school paper increased from six to eight pages and changed from regulation to tabloid size.

Under the sponsorship of Miss Mary Jane Ethridge, the Pow Wow continues to gain recognition as an outstanding newspaper from the National Scholastic Press Association and the Louisiana Scholastic Press Association.

All activities concerning Fair Park are covered by journalism students who apply their knowledge by compiling and writing the stories. After a year's experience in reporting and printing, interested students may try for an editorship.

The Football Program Ad Staff was begun in 1938 by Miss Loryne Martin. The original purpose of the program was to make enough money to help the ROTC sponsors buy their uniforms. The first program consisted of one page which sold for a dime. This staff has grown to a thirty-six member organization responsible for a forty-page program.

Each year outstanding junior girls are elected to serve during their senior year as members of the Football Program Ad Staff. This honor is bestowed on these girls by members of the preceding staff and by teachers. During the summer months the girls sell their ads to various merchants. The beginning of school brings the football season, and these girls can be found at the football games selling their programs. Although participation in this organization involves many hours of hard work, any member readily admits that it is well worth the time. The sponsor for the staff is Mrs. Patricia Paul.

## National Quill and Scroll Society

Being inducted into the National Quill and Scroll Society is the highest honor a student working in a journalistic field at Fair Park can achieve.

Juniors and seniors from the newspaper, yearbook, and both ad staffs maintaining a B average are eligible. Each member has a recommendation from the committee governing publications at Fair Park and an approval by the principal and the Quill and Scroll secretary-treasurer.

Induction ceremonies into the E. H. Heron Chapter of Quill and Scroll, which has existed since 1959, are held in the spring. Supervising the society this year is Miss Mary Jean Ethridge, Pow Wow sponsor.

**OFFICERS:** Johnette Johnston, President; Henrietta Armstrong, Vice President; Linda Gann, Secretary; Judy Tomlinson, Treasurer; Miss Ethridge, Sponsor.

Students became interested in creative writing back in the fifties in an English Class. From this the Creative Writing Club was organized.

The club combines the learning of new techniques in poetry and prose with the enjoyment of hearing creative work composed by the members at meetings. Annual projects include selling diploma covers and contributing to city-wide drives. This year the club will publish a literary magazine compiled from writings of past and present members.

The creative work of several of the members has been accepted and published in national anthologies.

# Debate Club

The Fair Park Debate Club began in 1960 under the direction of Mr. Dalton Cloud who has been its sponsor since its beginning.

The Debate Club not only teaches speech skills but also allows its members to become more aware of the problems of our democratic society due to the controversial debate topics used each year.

The 1965-1966 Debate Club, consisting of eighteen members, not only attends practice debates at other schools in our city but also holds debates at our own school. The Debate Club also goes to several debate tournaments at colleges and high schools throughout the state of Louisiana, including Centenary, Louisiana Tech, Northwestern and Northeastern State Colleges, and the University of Southwestern Louisiana. There is also a Tournament of Champions at the end of each school year in which the best debaters of the state of Louisiana are entered. At each of these tournaments our debaters not only debate but also enter individual events, such as dramatic interpretation, oratory, and radio announcing.

The club motto, "Inspire individual initiative", is stressed in all activities.

"Growth Through Service" is the motto of the Fair Park "Z" Club, chartered in May 1963. This service club, under the guidance of Mrs. Peggy Chandler, is sponsored by the Shreveport Zonta Club, an organization of professional women.

To qualify for membership a girl must be a potential leader, have integrity and character, emotional poise and balance, and outstanding academic achievement.

Services of the past year have included talent shows at Shriner's Hospital, parties for the mentally retarded children, visits to homes for the aged, and promotion of chapel attendance, as well as world-wide projects.

## Latin Club

In 1930, the second year of Fair Park's history, Latin became a part of the curriculum. Out of the subject came the Latin Club to supply the fellowship and the interest in classical background beyond the classroom work.

Miss Annie Brown was sponsor for the club and seventy-six members joined. Programs centered around Greece, Rome, and all aspects of their civilization and culture.

At some time during the years the club acquired the name "Orbis Romanus" and the name has been preserved through the years.

In December 1960 a Saturnalia banquet was held in the auxiliary gym. This has become a tradition with the club when the god Saturn is honored by Fair Park Romans. The members wear Roman costumes, recline on elbows at low tables to eat Roman food with their fingers, see that the slaves, first year students, work hard and watch a Roman show performed in the arena.

During Latin Week each year in April, the club attends the Picadilly together and eats pizza. The entire week reveals interest in Latin with posters, a library display, a Latin menu, Roman costumes and a special courtesy to the faculty.

Each year Fair Park has been represented at the National Convention. Mrs. Johns became state chairman in 1964 and has served in that capacity for two years.

This Orbis Romanus directed the state convention at LSU. The club accepted all registrations, made arrangements, prepared decoration for the banquet and furnished the entertainment.

The club has helped other organizations with their projects: the ROTC with the carnival, the Arrowettes with Beat Byrd Day, the choir with a background for a concert, the library with a book, and the Key Club with the sale of decals.

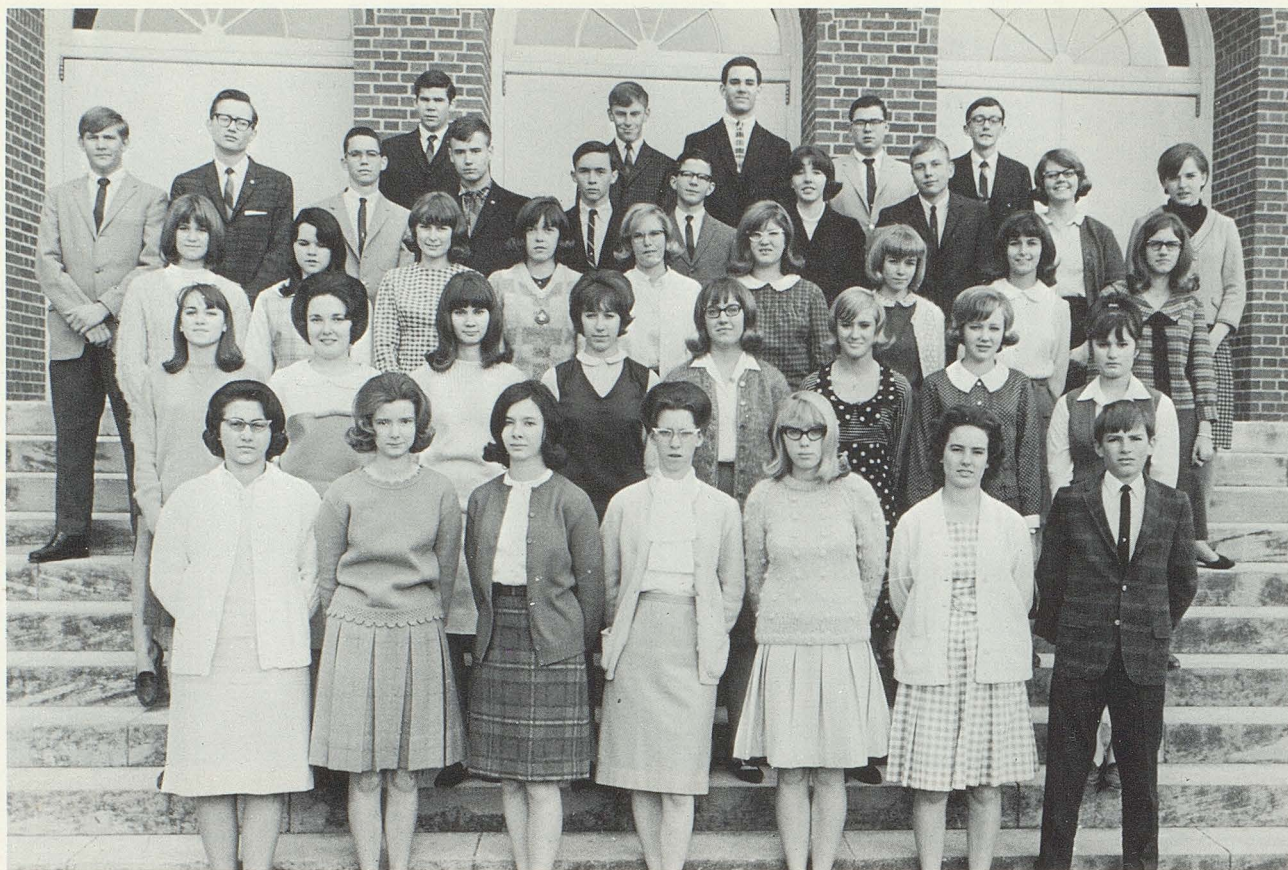

STATE OFFICERS: Donna Jolly, Nuntius Latinus Editor; Glenn Bertiaux, Historian.

Banquets, Roman style, are enjoyed by Latin Club members.

## Distributive Education Club of America

The Distributive Education Club program is an integral part of the total Distributive Education Program. Student planned activities supplement instruction in marketing and distribution. Although the club program is directed primarily to educational activities which are concerned with the distributive occupations emphasis is also focused on other educational activities to strengthen the student's economic understanding of the free enterprise system, the importance of distribution to the American economy and to develop abilities in citizenship activities adaptable to adult life. Social activities are also a vital part of the club program. The local club is affiliated with a state and a

national club called D.E.C.A. The over all basic concept is developing future leaders for marketing and distribution. D.E.C.A. is the only national youth organization operating through the public schools to attract young people to careers in marketing and distribution. To carry out the goals both the state and national organizations provide for leadership conferences.

This year the club observed National D.E.C.A. week November 7 through 13 and provided a full week of various activities of publicity. In the Spring they are planning to attend the State Leadership Convention to be held in Baton Rouge where students will be engaged in various activities embracing the D.E. program.

Band members also participate in activities to secure finances to help pay for their annual trip.

ROY WILSON, Head Coach

When the Fair Park football season opened this year, hopes for a successful season were spread throughout the reservation. These hopes were not in vain. The Indians, averaging twenty-six points per game, quickly became one of the highest scoring teams in district.

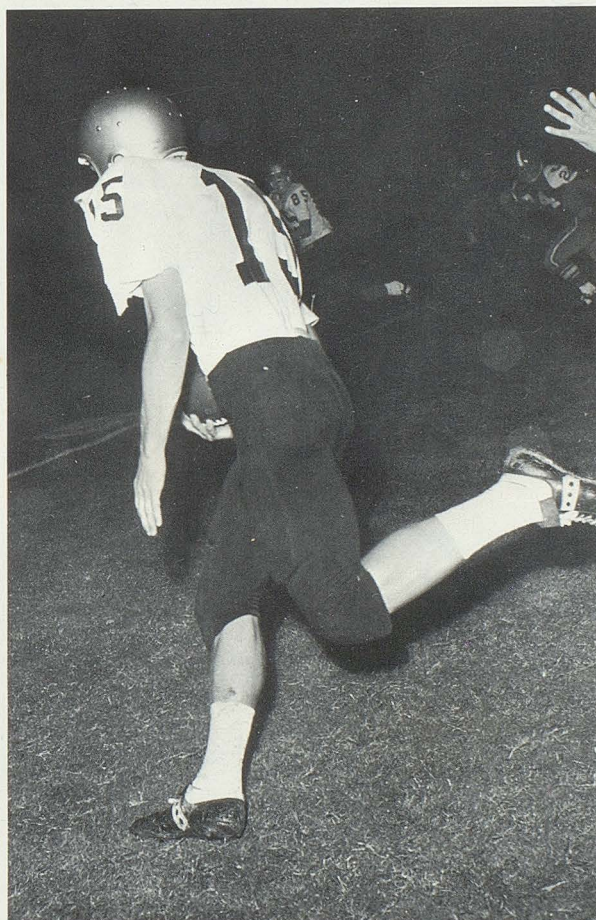

We of the 1965 Varsity offer our thanks to you, Coach Wilson, for leading us to such a successful season. Without your supreme leadership and fine coaching our team could not have attained this position. When we look at all the honors bestowed on our team, we remember the hours of practice and self-sacrifice and know that perseverance and determination do pay off.

## Fair Park 20 — Airline 20

## Fair Park 7 — Woodlawn 28

In the opening game of the 1965 football season the Indians more or less went to sea to battle the Airline Vikings. The Indians, unaccustomed to such skirmishes in high water fought to a 20-20 tie.

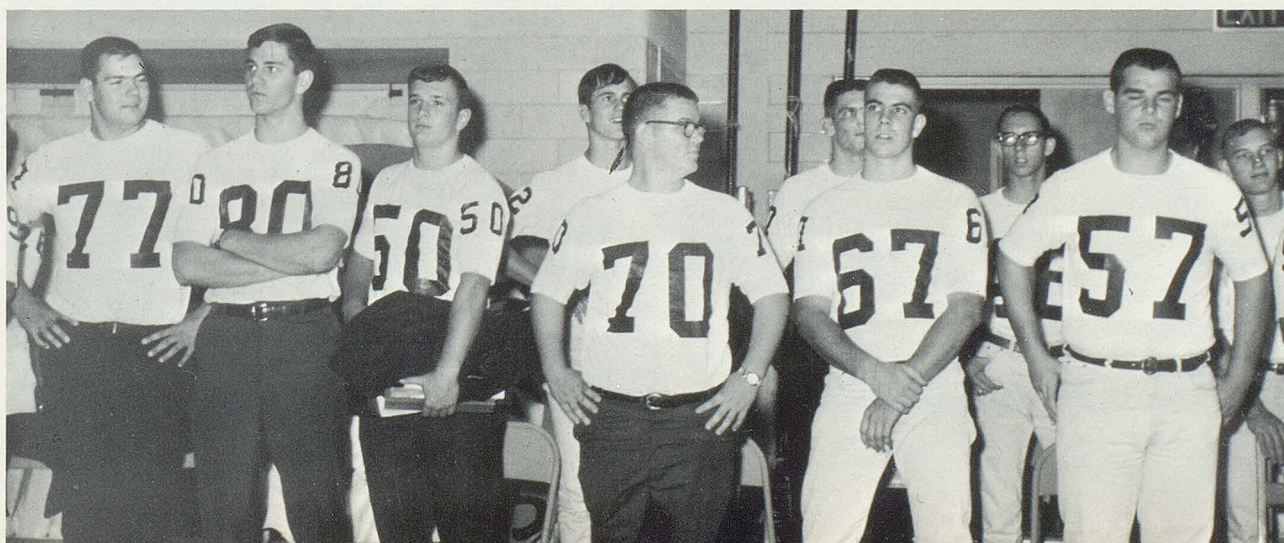

The outstanding brave of the night was by all means John Miller who completed 8 of 10 passes for 157 yards and three touchdowns.

When the Indians withdrew their attack against the Woodlawn Knights, they found that their flimsy arrows and their bone blade knives were not enough to dent the Knight's armor.

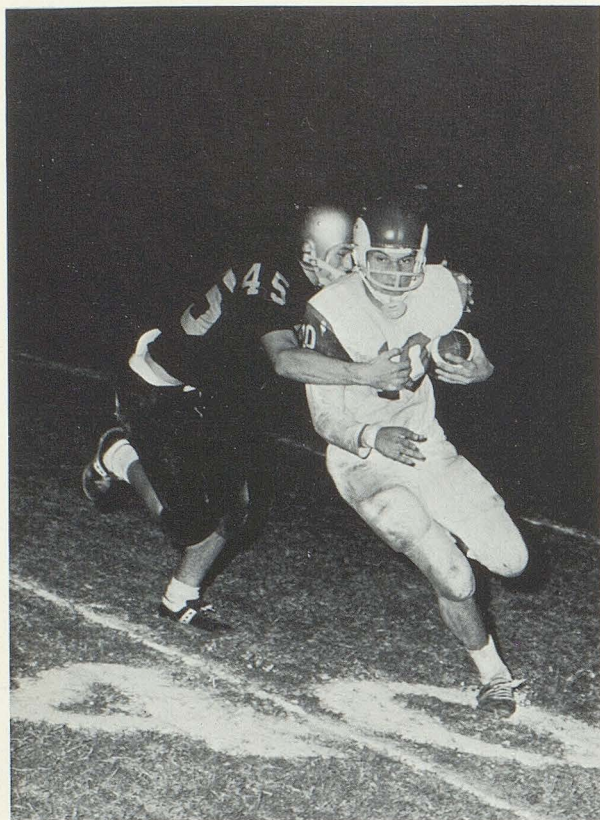

The only Indian score came when quarterback John Miller passed to end Jery Simpson with 1:50 remaining in the game.

Senior halfback Harry Watson was the Indian in the limelight gaining 143 yards on 16 carries.

Bow down Jackets—Here are the Indians.

Defensive specialist Shep Akins executes a necessary tackle against Jesuit of New Orleans.

## Fair Park 27 — Neville 14

After being defeated the week before by Woodlawn, the Indians came on strong against Neville and overcame them 27-14. Ronnie Baronette scored on runs of 12 and 17 yards early in the second quarter. Junior Linebacker Ken Johnson made a key play in the decision of the Game when he intercepted a pass and ran 50 yards for the touchdown. Overall it was a great game for the Indians as the defense held true.

## Fair Park 20 — La Grange 21

One blocked extra point proved fatal as the Braves dropped a close decision to the Gators.

The familiar trio of Watson, Smith, and Baronette scored the points but the defense couldn't hold long enough or hard enough.

The Indians went to the locker room at intermission with a 14-0 lead, but seemed to fall off as LaGrange pressed over three quick touchdowns.

## Fair Park 60 — North Caddo 0

If there was one thing the Indians didn't lack this beautiful Homecoming night, it was points. With Senior split-end Jerry Smith scoring 18 points, one might well see why the Warriors came out on top of this contest. While most game honors go to the backs this game was given in honor of Fair Park's tough offensive wall.

## Fair Park 27 — Bastrop 32

With Junior quarterback John Miller hitting his usual better-than-average 7-11 passes one might think that is all needed to win a close contest, but even with the help of Jerry Smith scoring 18, Harry Watson 6, and Leo Leon converting 3 PAT's, the Indians still fell short at the final gun. Game honors went to split-end Jerry Smith as he continued on his way to a record-breaking season.

Jerry Smith is open all alone against the Blue Jays.

## Fair Park 55 — Bossier 14

Jolly Green Giants are terrors but they lost some of their spunk when the Indians officially declared Giant season with the opening kick off.

V. T. Smith seemed to be in high gear, as he broke game scoring records with a season high of 24 points. Once again the marvelous twosome of Jerry Smith and V. T. Smith took game honors when they scored 42 of the 55 points.

## Fair Park 33 — Ouachita 21

The mighty king of the jungle proved to be only open game as the Indians downed the limit defeating the Lions 33-21.

The Smith boys once again proved to be the fatal blow as each of them scored two touchdowns a piece.

This game proved to be an offensive battle with each team scoring well over average, yet the Braves triumphant defense must be praised highly.

## Fair Park 6 — Jesuit 0

All the fans definitely stayed on the edge of their seats as Fair Park played the closest, most exciting game thus far in the season.

The two teams which were so evenly matched fought fearlessly at each other's throats throughout the contest.

The only Indian tally came when junior fullback-linebacker Steve Tilley scored on the Warriors deadly bread and butter play.

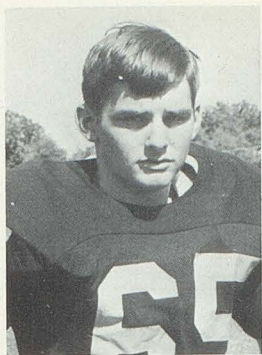

## Fair Park 46 — West Monroe 38

The boy wonder strikes again but surely we are not referring to the mythical Robin but instead the remarkable speed demon V. T. Smith. Once again V. T. scored a game high of 30 points breaking district scoring record for a single game.

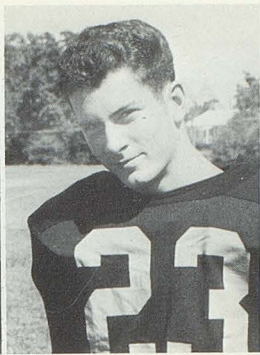

Assisting on the scoreboard were Ronnie Baronette and Chris Hotard each scoring six points.

The Fair Park fans however were given a slight scare as the Rebels had a rally going.

## Fair Park 13 — Byrd 0

Once again the famous Indian Pride was worn over each Player's body and mind as he exhibited the utmost skill and perfection in defeating the Yellow Jackets 13-0.

When the Indians returned to the field it could be seen that the Indians motto "we do everything better than the rest" was going to be put into effect. And our Indians did just that with John Miller scoring 7 and V. T. Smith scoring 6.

## Fair Park 7 — Sulphur 29

It might be said that the Indians never reached a full head of steam as they fell by the way in the second round of playoffs for State Championship.

All efforts didn't go in vain though as the Indians helped bring a name back to Shreveport, "Shreveport, Louisiana—Home of the Fair Park Indians."

The only Indian score was made by Senior Ronnie Baronette, with John Miller converting.

Sophomore quarterbacks Dickie Britton and James Cottrell kept an accurate record of each play.

## Fair Park 19 — Jesuit 12

If at first you don't succeed try, try again. That is exactly what we did that night in New Orleans when we fell behind 12 to 6 at half time. We came out of the locker room heads up and only one thing on our minds—beating the Blue Jays.

It was this night that Coach James Farrar's theory, "Do few things but do them well" brought the Indians from behind and another chance for State Championship.

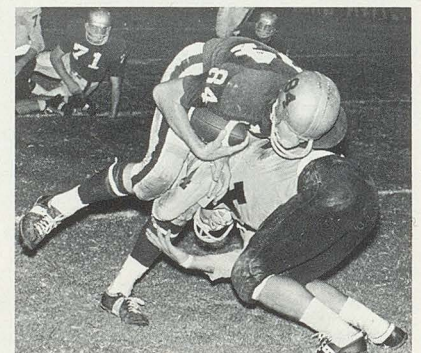

V. T. Smith, with Jerry Smith's help, completes another successful end sweep against the Rebels.

JOE DAIGLE, Coach

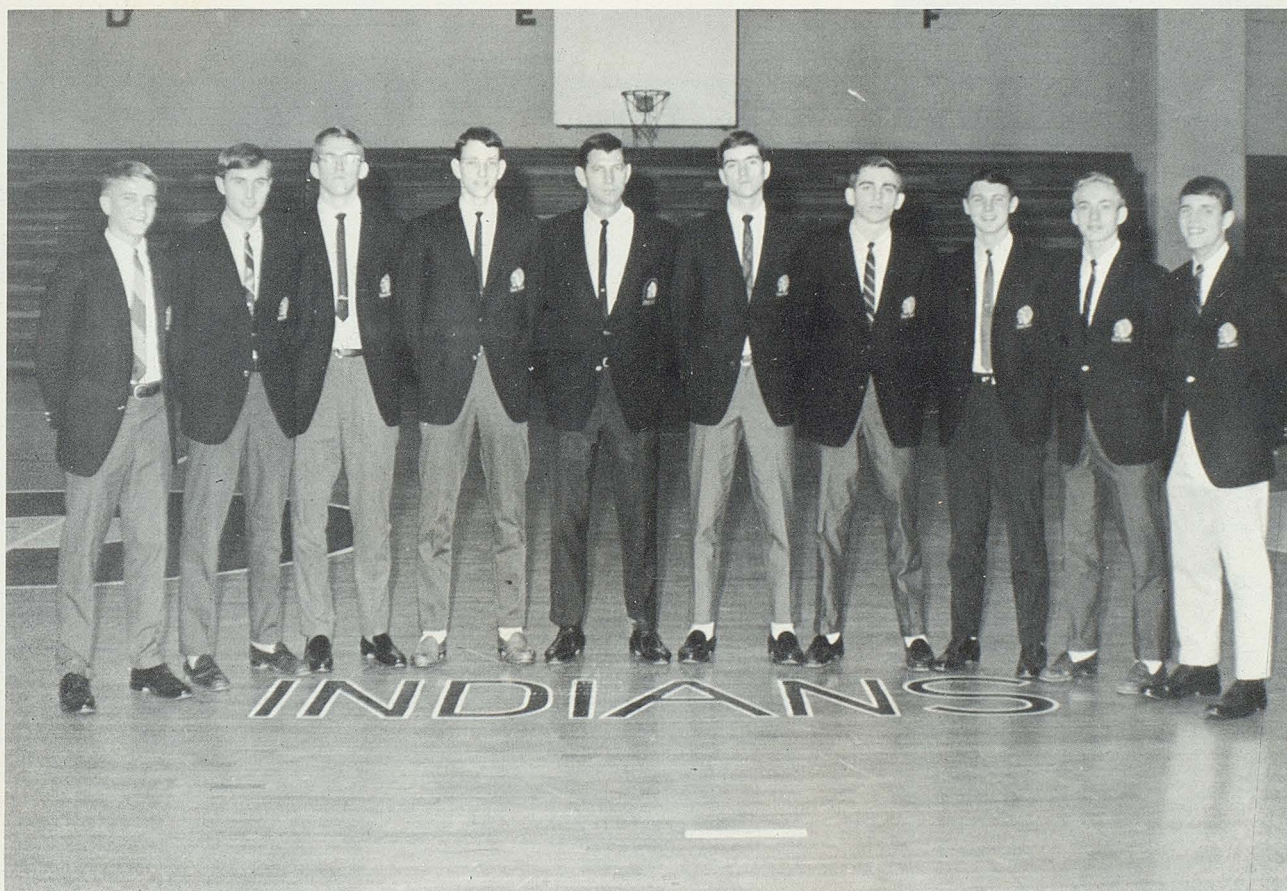

Welcome to the reservation, Coach Daigle, and thank you for your many hours of practice and devotion to us. With you around to challenge our every move, you gave us determination to fight onward and upward to our present position.

In your first year at Fair Park we hope you have enjoyed being our coach as much as we have enjoyed being your team. In years to come when we look back, a great deal of our success could be credited to you. When your debut as an Indian Coach came, you picked up where coaches of the past have left off and carried the whole role of Basketball Coach on your shoulders.

We would like to thank you and wish you the best of luck in years to come as an Indian Coach.

JAMES FARRAR, Coach

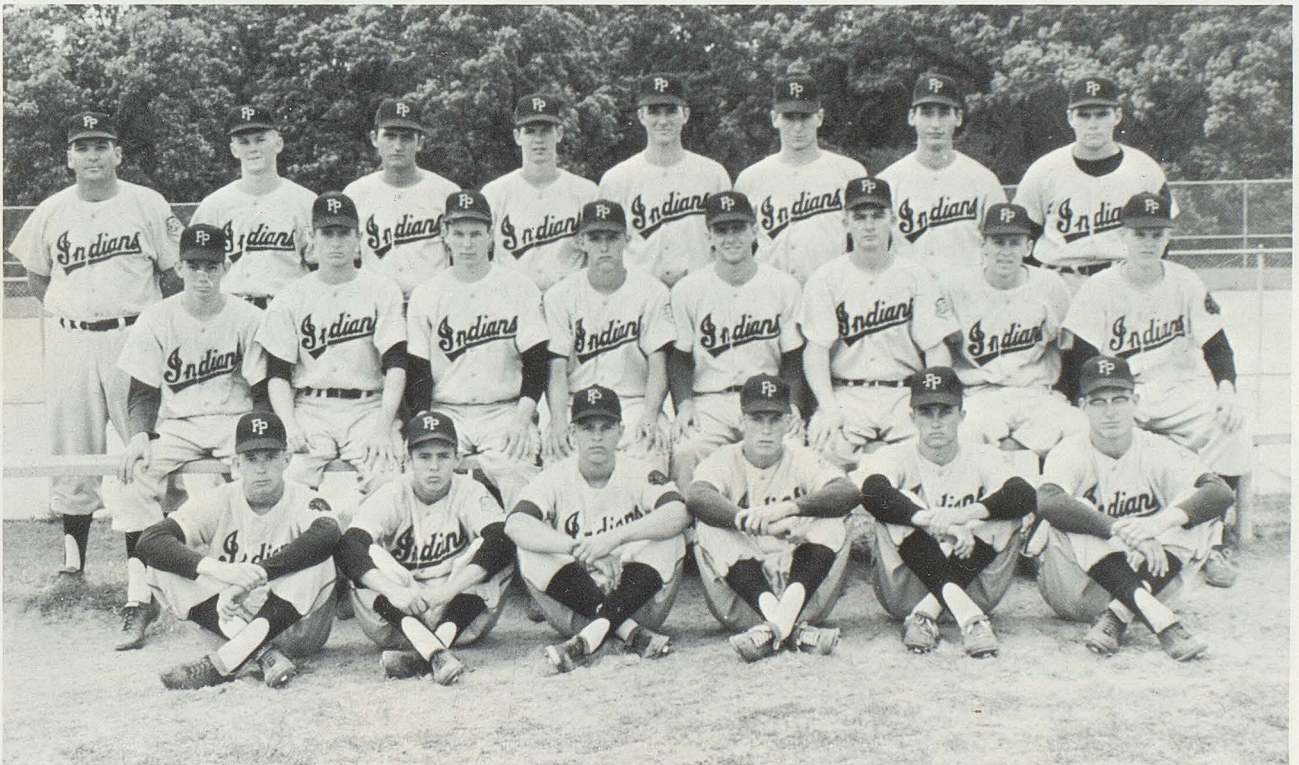

While cries of "We're number one" came from the lungs of the students on campus our cry was, "You are number one." Coach Farrar, we know that without a championship coach a championship team is utterly impossible. Thank you for giving of your time and staying late with us when we had a few rusty spots that needed to be smoothed out. We know that you were behind us 100%, and win or lose we came off the field with our heads up because we were the Indians.

We are thankful that we had a man with such great character and determination to coach us. So, Coach Farrar, we wish you the best of luck in the future and may you always be Fair Park Baseball's Big Indian.

*Bob,  
Work hard and have a good  
summer. I am looking forward  
to next year. Wish we could  
start now. Best of luck.*

CARL KIGHT, Coach

When Thoughts of Spring enter the minds of most young men, they might think of days at the lake fishing or wading in the water, but not the boys of Fair Park's Track Team. The thought of training and self sacrifice enters each boy's mind each day as he dons his practice uniform.

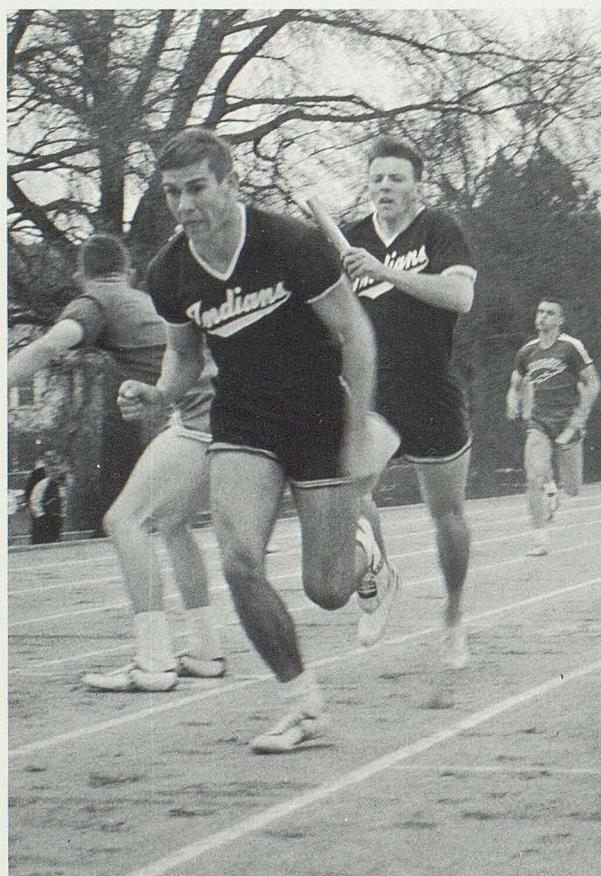

Coach Kight, we would like to thank you for staying behind us and pushing when we lagged behind. As you know, boys are naturally lazy, and we are no exception to the rule. We owe to you a great deal of thanks for giving us the support that we so badly needed. We all know that the experience gained in the track program will later be valued highly.

## Cheerleaders and Big Indian . . .

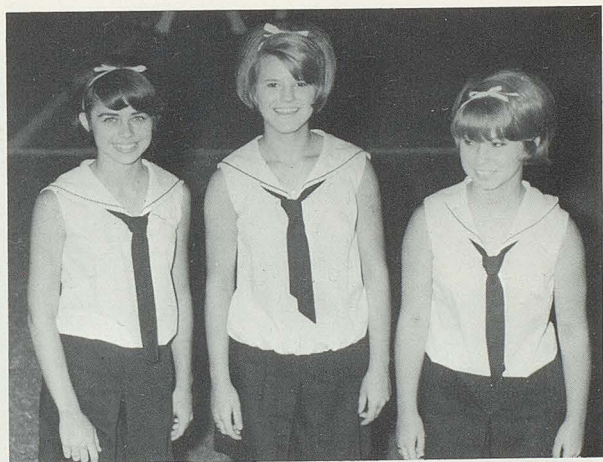

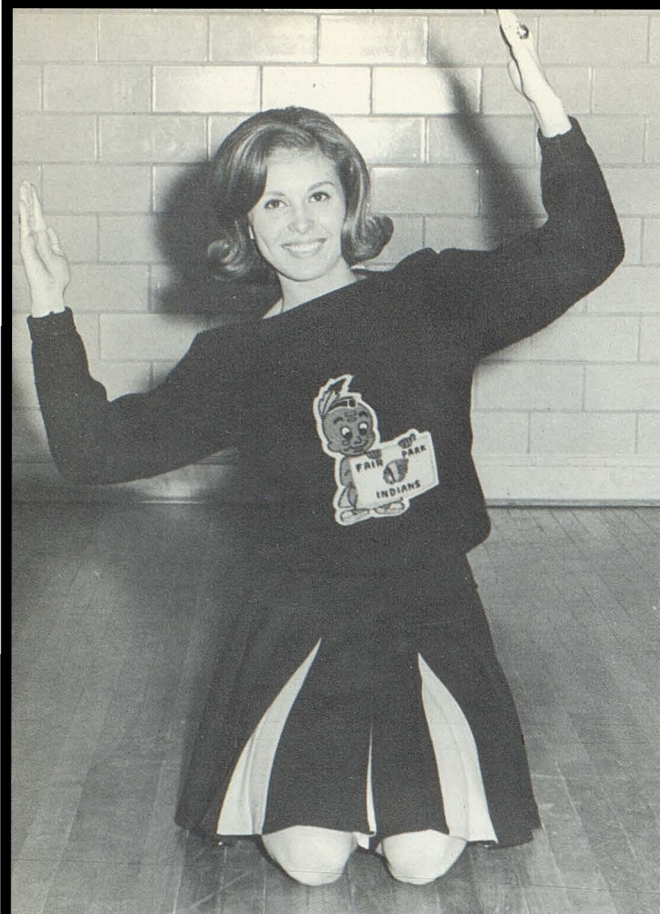

## . . . Spirit Boosters on Reservation

The year of 1966 has been filled with hours of work and moments of triumph for the cheerleaders. During the summer they spent hours daily in preparation for their trip to S.M.U. and their duties for the coming year. Their week at S.M.U. was one of pom-pom and tumbling classes, mass cheering sessions, and hours of practice and competition every day. Bringing home nine first place and two second place ribbons, the Fair Park cheerleaders came out the last day in first place over all. They made posters, planned pep rallies, decorated for games and prepared Beat Byrd Week events.

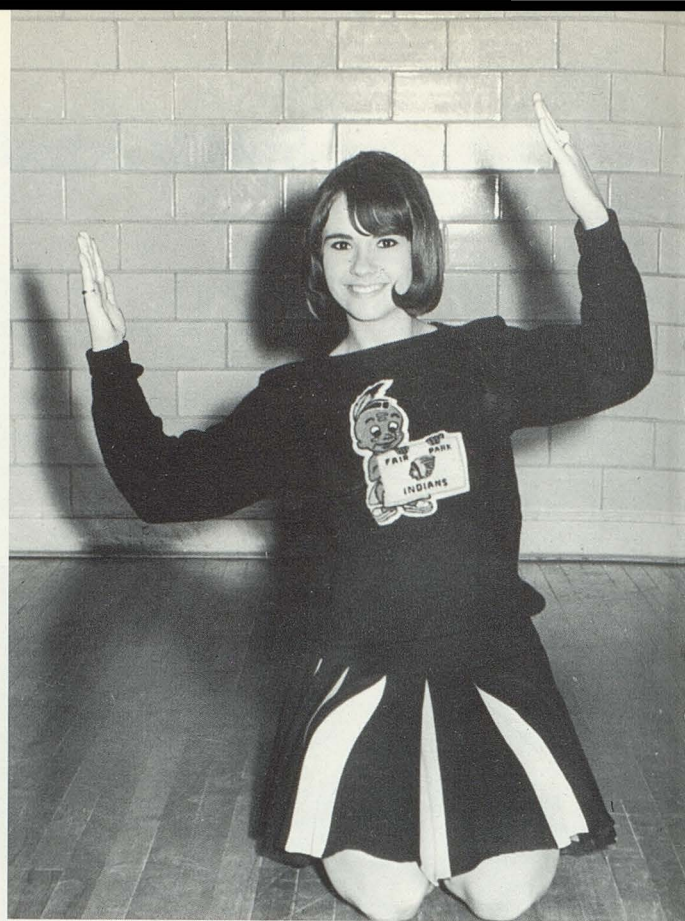

The Big Indian has been chosen, each year since 1957, as the school's mascot. As in the past he made spirits soar at pep rallies and games, wearing a colorful costume of his own design and performing the traditional Indian war dance to "Cherokee."

The Arrowettes, one of Fair Park's most readily recognized groups is composed of 125 girls from the sophomore, junior, and senior classes. It was organized in 1964 by Miss Ira K. Long and Mrs. Emma Loyce Smelley. This year Mrs. Smelley was the only sponsor.

Arrowette activities include the annual candy sale, the sale of Indian pennants and they sponsored Mardi Gras activities.

The proceeds from these activities go toward the annual trip that the girls take each spring.

The pep squad practices long hard hours during the summer to perfect formations so that they can provide half time entertainment at the football games. They also build enthusiasm at the basketball games with snappy hand routines and cheers. In addition, the Arrowettes marched in the State Fair, Veteran's Day, and Holiday in Dixie parades.

The Homecoming theme was "Patriotism" which was carried out by the band, Dixie Drill Team, and the Arrowettes as they performed at the halftime ceremonies. Through the formation that these organizations formed, the Homecoming Queen, Amanda Davis, and her court passed.

Following the Queen, Princess Kathie Coco, Senior Maids Sandra Cummings and Faye Bilbray, Junior Maids Tommie Hearne and Madeleine Brock, Sophomore Maids Donna White and Nancy Marabella, and Football Sweetheart Debbie Mauldin were escorted through the formation. The armed forces of the United States contributed to Fair Park's Homecoming by escorting the court and putting a final touch to the Patriotism theme.

A successful dance at the American Legion Club climaxed the unforgettable evening.

## Corps Directed by Battalion Staff

Fair Park's Junior R.O.T.C. is directed by its battalion staff, consisting of Battalion Commander, Deputy Battalion Commander, and six other officers and the officers' sponsors. Directed by the Regular Army military instructors, these officers are the commanding group of the Corps and control and coordinate all of its activities. Policies of leadership and discipline are established by the staff under the guidance of SFC Sasser, Commandant of Cadets, and Sgt. Villemarette. Some of the objectives of this high school military science program are to give the cadet elementary military training, teach him discipline and habits of orderliness and precision, and to develop a high sense of personal honor and deportment among the cadets. Cadets are also fully informed of the opportunities available to them in military service.

Cadet Colonel John Smith receives the Legion of Valor award for achievement from General William A. Harris. It is awarded to the outstanding cadet in the Fourth Army Area. This was the third consecutive year in which a Fair Park cadet won the award, making our school the first in history to claim this distinction.

## Special Staff Heads Drill and Rifle Teams

The Commanders of the Rifle Team and Drill Team and their sponsors make up the Special Staff. Because these teams represent the extracurricular activities of the Corps, their leaders must possess special abilities and unusual leadership qualities, together with a willingness to spend much after-school time working with teams composed of outstanding military students who also contribute much hard work getting into top shape. The favorable records and impressions made by both teams in competition and in public appearances are a credit to their leaders as well as the individual members and reflect favorably on the Corps and the school.

Dixie Drill Commanders are interested spectators of the team's maneuvers.

## Rifle Team Places Second in City

Fair Park's Rifle Team completed a very active year. Local matches were fired against teams of the Air Force Reserve, Barksdale Air Force Base, the Naval Reserve, Byrd, and Woodlawn. Trips were made to Center, Houston, and Arlington, Texas, for matches, and the team competed in the 4th Army District Postal Match. In finishing second in city competition, the team set a new city record of 1221 in a match with Naval Reserve, and three of the team's members were among the city's top ten marksmen. Because only one member of the regular team will be lost by graduation, high hopes are held for a championship team next year.

SFC Sasser watches the Rifle Team he sponsors as it practices. The team set a new marksmanship record in the City League.

## Dixie Drill Platoon Active During Year

The Dixie Drill Platoon offers cadets opportunity for extracurricular activity which includes precision drill and ceremony. This year the thirty-cadet group's schedule included performances at Homecoming, the Holiday in Dixie Parade, the Fourth U.S. Army competition at Arlington, Texas. The Platoon also sponsored a fund-raising basketball game with the Corps instructors to provide funds for its many activities.

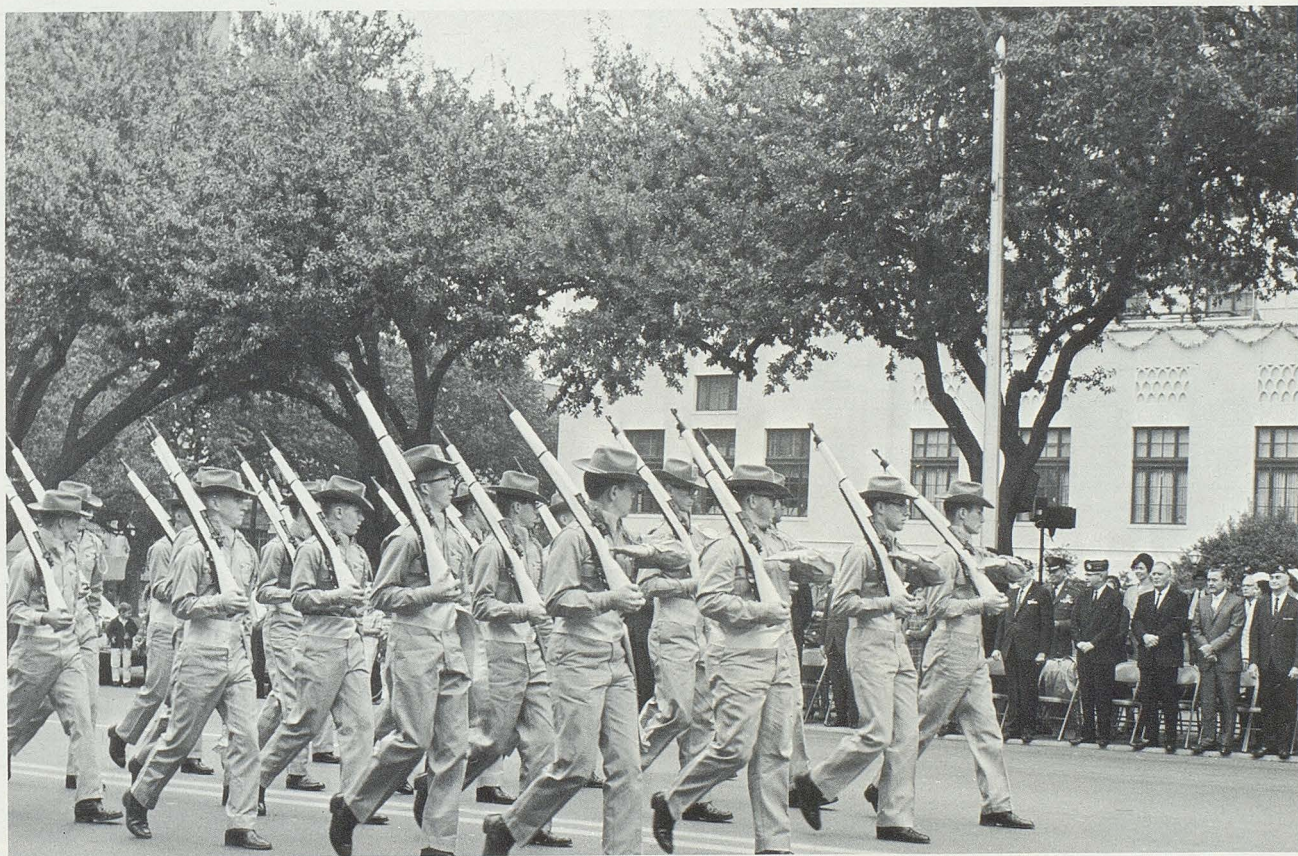

Parade Rest is executed by the Dixie Drill Platoon during Homecoming Ceremonies.

In a movement like "Kneebends to the Winds" every member must know exactly where to go at the right time.

The Dixie Drill Platoon does a snappy "Eyes left!" as it passes the reviewing stand during the Veterans of Foreign Wars Parade.

## "CENTENARY, OF COURSE!"

So say Marcia Josey (left) and Jim Norman, two well-known former Fair Park students who have "found a home" at Shreveport's own private, liberal arts college.

They're the latest additions to a long, distinguished line of Fair Park alumni who have gone on to complete their education at Centenary over the years.

Don't fail to explore the course offerings of Centenary College before you make your decision in a matter that will affect the rest of your life. Contact the admissions office, 861-2431, Extension 343, and talk to Col. Buren S. Folsom about your immediate future. You'll always be glad you did!

## Editor's Message

Bob-

I hope you never forget our friendship for I. never will. You should go far in life if you stay like you are now. I hope or I should say that I know you will be on the vo. team next year. If you ever need any coaching just call on me. HA! HA!

your friend  
Tommy Johnson  
Se. 66

Throughout the past year, we of the Sequoyah staff have had the responsibility of capturing in pictures, memories that will be cherished forever. We have devoted our holidays, nights, and numerous weekends in picturing Fair Park 1966 as a "beginning."

I would like to express my most sincere appreciation and gratitude to Mrs. Mary Lou Craine, who has given endlessly of her time and self in making this Sequoyah a cherished one. A very special thanks goes to Suzanne Brown, my assistant editor, for her devotion to the ideas and desires of you, the students. Without the valuable assistance of Mr. Jimmy Cobb we would indeed have been lost. Our thanks goes also to Mr. Milburne Alfred for his assistance. I would also like to thank Mr. B. H. Brantly, Mrs. Betty McNeese, Mrs. Patricia Paul, Mrs. Ruth Johns and many, many more of the faculty members who helped us so much in the past year. We are all deeply grateful for their assistance.

The Sequoyah publishing year has come to an end, and with it the joys and anticipations we felt. We of the Sequoyah staff sincerely hope this—the 1966 Sequoyah, will preserve your memories of Fair Park 1966.

Mary Catherine Stawasz

Bob,  
You're one of the sweetest kids that I know! Your  
very personality that is unusually good is an asset  
to you and will continue to help you go further in  
life. I've enjoyed knowing you all these years and I  
do hope you'll continue to stay the way you are, &  
don't know of too many more people that are as friendly  
and likeable as you are, Bob. The year wouldn't be  
complete without Bob always having to make some  
funny remark that reveals his "great intelligence." Good  
luck in all you do and may that class continue to  
bear you.
